#### INDEPENDENT AUDITOR'S REPORT

To the Board of Commissioners
The Housing and Redevelopment Commission
of the City of Pierre, South Dakota
Hughes County, South Dakota

#### Report on the Audit of the Financial Statements

#### **Opinion**

We have audited the accompanying financial statements of **The Housing and Redevelopment Commission of the City of Pierre, South Dakota, a component unit of the City of Pierre, South Dakota** (hereinafter referred to as the Commission), as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the Commission's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Commission, as of June 30, 2022, and the changes in its financial position and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Commission and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Commission's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Commission's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness
  of significant accounting estimates made by management, as well as evaluate the
  overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Commission's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, schedule of the Commission's proportionate share of the net pension liability(asset), and the schedule of the Commission's contributions, as listed in the table of contents, presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Commission's basic financial statements. The accompanying financial data schedule and schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the financial data schedules and the schedule of expenditures of federal awards are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 24, 2023, on our consideration of the Commission's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Commission's internal control over financial reporting or on compliance.

That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Commission's internal control over financial reporting and compliance.

Ubhlenberg Rityman + 60., LL

Yankton, South Dakota March 24, 2023

#### Introduction

This Management's Discussion and Analysis (MD&A) of the Pierre Housing & Redevelopment Commission (Commission) provides an introduction and overview to the financial statements of the Pierre Housing & Redevelopment Commission for the fiscal year ended June 30, 2022. The Pierre Housing & Redevelopment Commission presents this discussion and analysis of its financial performance during the fiscal year ended June 30, 2022, to assist the reader in focusing on significant financial issues.

The primary focus of the Commission's financial statements is on the statements of its single enterprise fund encompassing all programs administered by the Pierre Housing & Redevelopment Commission. The information contained herein this MD&A should be considered in conjunction with the Commission's financial statements and related notes to the financial statements.

The Commission has six individual programs. They include the Low Rent Public Housing Program, the Capital Fund Program (CFP), the Housing Choice Voucher Program (HCV), the Emergency Housing Voucher Program (EHV), and the Home Investment Partnerships Program.

- The Low Rent Program consists of 50 dwelling units. Funding is provided based on dwelling rents paid by the tenants and operating fund payments received by the Department of Housing & Urban Development based on a formula.
- The Capital Fund Program is also a formula based program from HUD. The purpose of this program is to provide funding for the modernization and improvement of the Low Rent Public Housing Program. These resources allow the Commission to provide capital improvements for the current dwelling structures and assist in their operations.
- The Housing Choice Voucher Program provides rental assistance to aid low income families with affordable, decent, sage, and sanitary rental housing. The Commission provides rental assistance in the form of a housing assistance payment to a landlord on behalf of the tenant. The Commission currently has 218 units available. Funds are provided by HUD to provided rental assistance payments. The Commission is provided an administrative fee for the purpose of covering the administrative costs of the program. The administrative fee is computed by HUD on an annual basis.
- The Emergency Housing Voucher Program provides rental assistance to aid individuals and families who are homeless, at-risk of homelessness, fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking, or human trafficking, or were recently homeless or have a high risk of housing instability. The Commission provides rental assistance in the form of a housing assistance payment to a landlord on behalf of the tenant. The Commission currently has 30 units available. Funds are provided by HUD to provided rental assistance payments. The Commission is provided an administrative fee for the purpose of covering the administrative costs of the program.
- The Home Investment Partnerships Program provides low income families with security deposit assistance.

#### **Overview of the Financial Statements**

This overview of the financial statement is intended to inform and introduce the reader to the Commission's financial statements. The financial statements are comprised of three individual statements. These statements include:

- The Statement of Net Position
- The Statement of Revenues, Expense, and Changes in Net Position
- The Statement of Cash Flows

The Statement of Net Position presents information on the assets, deferred outflows or resources, liabilities, and deferred inflows of resources with the differences between them being reported as Net Position. Over time, increases or decreases in Net Position may serve as a useful indicator of whether the financial situation of the Commission is improving or deteriorating. Net Position is comprised of three individual components:

- Net Investment in Capital Assets consists of capital asset balances net of accumulated depreciation less any outstanding balances of related debt associated with the acquisition of these assets.
- Restricted component of Net Position consists of resources that are restricted by limitations placed on these resources by an external source or imposed by law through enabling legislation.
- Unrestricted component of Net Position represents the remaining resources available
  that do not meet the definition of the above categories. The unrestricted component of
  Net Position is basically the amount of resources available for future year appropriations.

The Statement of Revenues, Expenses, and Changes in Net Position reports the operating revenues, operating expenses, non-operating revenues, and non-operating expenses of the Commission for the fiscal year ended June 30, 2022, to determine the net change in Net Position for the fiscal year.

The Statement of Cash Flows reports cash activities for the fiscal year resulting from operating activities, investing activities, non-capital financing activities, and capital and related financing activities. The net result of these activities represents the increase or decrease of the cash equivalent account balance for the year ended June 30, 2022.

#### **Financial Highlights**

The Pierre Housing & Redevelopment Commission's Net Position increased from \$1,008,790 to \$1,194,062, an increase of \$185,272 or 18%. Total assets increased by \$208,420 or 19%.

Total revenues increased from \$1,272,795 to \$1,416,860, an increase of \$144,065 or 11%.

Total expenses increased by \$38,260, from \$1,193,328 to \$1,231,588 for the current year.

#### **Housing Commission Activities & Highlights**

The Commission's overall financial position and operations for the past two years are summarized below based on the information in the current and prior financial statements. The table below lists the summary of Net Position for the year ended June 30, 2022, and 2021.

### Summary Statement of Net Position June 30, 2022, and 2021

<u>Category</u>	FYE 2022		FYE 2021	Change \$	Change %
Current Assets	\$ 791,672	\$	721,383	\$ 70,289	10%
Noncurrent Assets	\$ 534,214	\$	396,083	\$ 138,131	35%
Total Assets	\$ 1,325,886	\$	1,117,466	\$ 208,420	19%
Deferred Outflow of Resources	\$ 63,825	\$	43,486	\$ 20,339	47%
Current Liabilities	\$ 103,616	\$	112,887	\$ (9,271)	-8%
Noncurrent Liabilities	\$ 2,077	\$	3,500	\$ (1,423)	-41%
Total Liabilities	\$ 105,694	\$	116,387	\$ (10,694)	-9%
Deferred Inflow of Resources	\$ 89,955	\$	35,775	\$ 54,180	151%
Unrestricted	\$ 678,402	\$	589,286	\$ 89,116	15%
Restricted	\$ 28,008	69	23,696	\$ 4,312	18%
Net Investment in Capital Assets	\$ 487,652	\$	395,808	\$ 91,844	23%
Total Net Position	\$ 1,194,062	\$	1,008,790	\$ 185,272	18%

#### **Current Assets**

Current assets increased by \$70,289. This was primarily due to an increase in unrestricted cash and investments from \$593,715 in the prior year to \$664,284 in the current year, an increase of \$70,569. This was due to operating revenues exceeding operating expenditures in the current year.

#### **Noncurrent Assets**

The Authority's noncurrent asset balance increased due to an increase in construction in progress. Please note the capital asset portion presented in a later section based on the information provided by the retirement plan.

#### **Deferred Outflow/Inflow Balances of Resources**

Deferred outflow and inflow balances are the result of the Commission's participation in the South Dakota Retirement System. These balances increase or decrease yearly due to various factors including number of employees participating, market conditions, and funding availability.

#### **Current Liabilities**

Current liabilities decreased by \$9,271. This was primarily due to a decrease in unearned revenue in the amount of \$40,445 relating to the EHV Program. In contrast, other current liabilities increased by \$33,970 due to the accrual of expenses relating to the replacement of the boiler system.

#### **Noncurrent Liabilities**

Noncurrent liabilities decreased by \$1,423 primarily due to a decrease in liabilities associated with the Commission's accrued leave compensation.

#### **Net Position**

The Net Position of the Commission increased by \$185,272 when compared to the previous fiscal year.

The Commission's unrestricted component of Net Position changed from \$589,286 to \$678,402, an increase of \$89,116 or 15% for the current year. This was primarily due to operating revenues exceeding operating expenditures. The unrestricted component of Net Position is the amount available for future appropriations. This balance is subject to program specific guidelines.

Low Rent Housing Program	\$ 486,880
Housing Choice Vouchers	\$ 173,528
Emergency Housing Vouchers	\$ 17,994
Total Unrestricted	\$ 678,402

The Commission's restricted component of the Net Position changed from \$23,696 to \$28,008.

### Summary Statement of Revenues & Expenses and Changes in Net Position Years Ended June 30, 2022 and 2021

<u>Category</u>	FYE 2022	FYE 2021	Change \$	Change %
Tenant Revenue	\$ 225,910	\$ 210,316	\$ 15,594	7%
HUD Operating Grants	\$ 1,035,177	\$ 1,011,164	\$ 24,013	2%
Capital Grants	\$ 67,021	\$ 24,629	\$ 42,392	172%
Interest Income	\$ 2,879	\$ 5,330	\$ (2,451)	-46%
Other Revenue	\$ 85,873	\$ 21,356	\$ 64,517	302%
Total Revenue	\$ 1,416,860	\$ 1,272,795	\$ 144,065	11%
Administration	\$ 186,935	\$ 196,366	\$ (9,431)	-5%
Tenant Service	\$ 24,159	\$ 6,087	\$ 18,072	297%
Utilities	\$ 72,182	\$ 65,482	\$ 6,700	10%
Ordinary Maintenance	\$ 129,606	\$ 125,766	\$ 3,840	3%
General Expense	\$ 79,125	\$ 83,116	\$ (3,991)	-5%
Housing Assistance Payments	\$ 691,368	\$ 666,809	\$ 24,559	4%
Depreciation	\$ 48,214	\$ 49,702	\$ (1,488)	-3%
Total Expenses	\$ 1,231,589	\$ 1,193,328	\$ 38,261	3%
Increase (Decrease) in Net Position	\$ 185,271	\$ 79,467	\$ 105,804	133%
Net Position, Beginning of Year	\$ 1,008,790	\$ 929,323	\$ 79,467	9%
Net Position, End of Year	\$ 1,194,061	\$ 1,008,790	\$ 185,271	18%

#### **Results of Operations**

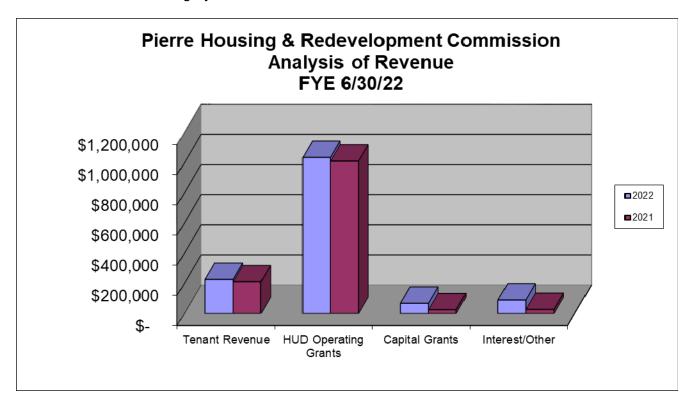

Revenues of the Commission are generated principally Federal and State funding grant income. The Commission's revenue increased by \$144,065 compared to the previous fiscal year. Significant variances include the following:

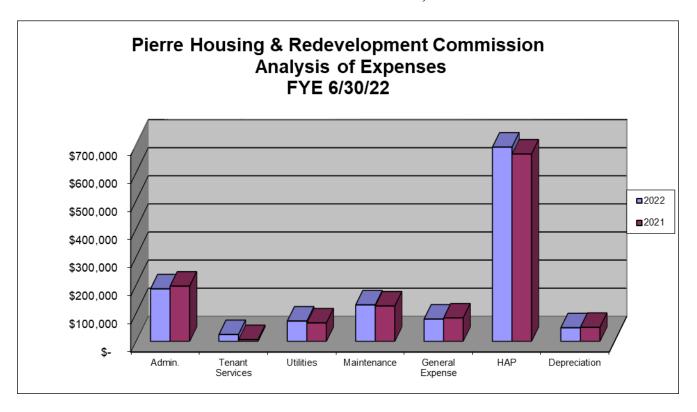

- Tenant revenue increased by \$15,594. This was primarily due to an increase in the average rent per unit from \$358 in prior year to \$381 in the current year.
- Government operating grants increased by \$24,013. This was primarily due to an increase in HAP funding, administrative fee funding, and special fee funding relating to the EHV program in the amount of \$99,518. Other increases include Low Rent operating subsidy in the amount of \$13,159, CFP operating funding in the amount of \$30,465, and HCV Program funding in the amount of \$33,954. In contrast, COVID funding decreased by \$153,083.
- Capital grants increased by \$42,392. This was due to an increase in capital improvement projects funded by the Capital Fund Program.
- Other revenue increased by \$64,517. This was primarily due to other government grants received by the Authority for the replacement of the boiler system.

Total expenses increased by \$38,261. Significant variances include the following:

- Administrative expenses increased by \$9,431 primarily due to an increase in administrative salaries and benefits.
- Tenant services increased by \$18,072 due to additional services provided to tenants on the EHV Program.
- Utility expenses increased by \$6,700. This was due to an increase in gas expenses in the amount of \$3,691, water and sewer expenses in the amount of \$2,912, and salt expenses in the amount of \$587.
- Housing assistance payments increased by \$24,559 due to an increase in unit months leased from 1,570 in the prior year to 1,714 in the current year.

The following presentations have been provided to demonstrate the revenues and expenses by summarized account category:

#### **Capital Assets**

As of June 30, 2022, the Pierre Housing & Redevelopment Commission's net investment in capital assets was \$487,652. This investment includes land, building improvements and equipment, net of accumulated depreciation.

<u>Category</u>		FYE 2022		FYE 2021 Change \$		Change \$	Change %
Land	\$	80,645	\$	80,645	\$	-	0%
Buildings	\$	2,846,189	\$	2,855,710	\$	(9,521)	0%
Equipment	\$	66,532	\$	71,549	\$	(5,017)	-7%
Construction in Progress	\$	132,598	\$	22,348	\$	110,250	493%
Accumulated Depreciation	\$	(2,638,312)	\$	(2,634,444)	\$	(3,868)	0%
Total Net Fixed Assets	\$	487,652	\$	395,808	\$	91,844	23%

Reductions in the building account are due to the disposal of a boiler and storage tanks. Additions to the building account include a HVAC system and heat pump systems funded by the 2019 and 2020 CFP and Low Rent Programs.

Reductions in the equipment account are due to the disposal of a tracker and phone system.

Construction in progress consists of a boiler replacement project funded by the 2019 CFP Program, 2021 Emergency Grant Program, and a South Dakota Housing Opportunity Fund grant.

#### **Long term Debt**

The Commission classifies a portion of the employee's leave as long term debt. This is because the Commission does not anticipate paying out the total amount accrued in the upcoming fiscal year. The amount estimated as long term was \$2,077.

#### **Subsequent Event**

As of the time of this analysis, HUD has finalized the funding levels for the 2022 calendar year. The operating subsidy for the Low Rent Housing Program is to be funded at 104.93%.

The amount of funding for the 2022 calendar year for the Housing Choice Voucher Program will include an estimated proration of administrative fees at 89% and HAP funding at 100%. HUD has obligated \$666,448 in HAP funding for the 2022 calendar year and \$253,800 in EHV funding.

#### **Request for Information**

This financial report is designed to provide a general overview of the Commission's accountability for all those interested.

If you should have additional questions regarding the financial information, you can contact our office in writing at the following address:

#### NOTES TO FINANCIAL STATEMENTS JUNE 30, 2022

#### SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Reporting Entity

The Housing and Redevelopment Commission of the City of Pierre, South Dakota (the Commission) was organized in 1972 pursuant to the Municipal Housing and Redevelopment Act of South Dakota as a public housing agency formed to provide financial assistance for low income public housing pursuant to the United States Housing Act of 1937 (42 U.S.C. 1401, et seq.). The mayor and city commission appoint the five members of the governing board for five-year staggered terms. The public housing authority (PHA) board elects its own chairperson and recruits and employs its management personnel and other workers. The local governing board of the City of Pierre, South Dakota retains the statutory authority to approve or deny or otherwise modify the Commission's plans to construct a low-income housing unit, or to issue debt, which gives the governing board the ability to impose its will on the Commission.

The primary government is the City of Pierre, South Dakota. The financial statements present only the net position, changes in net position, and cash flows of the Commission and are not intended to present fairly the net position of the City of Pierre and the changes in its net position and the cash flows of its proprietary fund types in conformity with U.S. generally accepted accounting principles.

The Governmental Accounting Standards Board (GASB) establishes standards for defining and reporting on the financial reporting entity. It defines component units as legally separate organizations for which the elected officials of the primary government are financially accountable and other organizations for which the nature and significance of their relationship with a primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete.

The Commission considered all potential component units in determining what organizations should be included in the financial statements. Based on these criteria, there are no component units to include in the Commission's financial statements.

#### **Nature of Business**

The Commission administers various low-income housing assistance payment programs in Pierre, South Dakota. PAS/LOCCS Project No. SD035 operates 50 units; and Project No. SD035VO is authorized to operate 206 units under the Section 8 Housing Choice Vouchers Program.

#### NOTES TO FINANCIAL STATEMENTS JUNE 30, 2022

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

#### Nature of Business, continued

The Fort Pierre Housing and Redevelopment Commission (FPHRC) has signed a joint powers agreement with The Housing and Redevelopment Commission of the City of Pierre, South Dakota (HRCP). This agreement is to establish various rights and responsibilities between FPHRC and the HRCP to operate, manage, and administer the HUD Section 8 Rental Assistance Program of the FPHRC of Fort Pierre, Stanley County, South Dakota. No monies have been exchanged or are due as of and for the year ended June 30, 2022.

#### **Basis of Presentation**

All activities of the Commission are accounted for within a single proprietary (enterprise) fund. Proprietary funds are used to account for operations (a) that are financed and operated in a manner similar to private business enterprises, where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes.

#### **Measurement Focus and Basis of Accounting**

Measurement focus is a term used to describe "how" transactions are recorded within the various financial statements. Basis of accounting refers to "when" revenues and expenditures or expenses are recognized in the accounts and reported in the financial statements, regardless of the measurement focus.

The financial statements are presented using the economic resources measurement focus, applied on the accrual basis of accounting. Under the accrual basis of accounting, revenues and related assets are recorded when earned (usually when the right to receive cash vests); and, expenses and related liabilities are recorded when an obligation is incurred (usually when the obligation to pay cash in the future vests).

#### NOTES TO FINANCIAL STATEMENTS JUNE 30. 2022

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

#### Cash and Cash Equivalents

For purposes of financial statement reporting, the Commission considers all highly liquid investments (including restricted assets) with an original maturity of three months or less when purchased to be cash equivalents. Certificates of deposit, regardless of maturity, are considered to be cash equivalents.

#### **Accounts Receivable**

All tenants and miscellaneous accounts receivable are shown net of an allowance for doubtful accounts. The allowance is calculated based on historical trends.

#### Fraud Recovery

HUD requires the Commission to account for monies recovered from tenants who committed fraud or misrepresentation during the application process for rent calculations and now owe additional rent for prior periods or retroactive rent as fraud recovery. The monies recovered are shared by HUD and the Commission.

#### **Inventories**

Inventories consisting of supplies are valued at cost. An allowance for obsolescence has been calculated based on historical trends.

#### **Capital Assets**

All acquisitions of property and equipment in excess of \$750 and all expenditures for repairs, maintenance, renewals, and betterments that materially prolong the useful lives of assets are capitalized.

#### NOTES TO FINANCIAL STATEMENTS JUNE 30, 2022

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

#### Capital Assets, continued

Purchased capital assets are recorded at cost. Donated capital assets are valued at their estimated fair value on the date donated. Interest costs incurred during construction of capital assets are capitalized along with other capital asset costs. Depreciation is computed principally by the straight-line method over the following estimated useful lives:

	<u>Years</u>
Buildings	40
Modernization improvements	15
Equipment	3-5

Land, an inexhaustible capital asset, is not depreciated.

#### **Deferred Inflows and Deferred Outflows of Resources**

In addition to assets, the balance sheet reports a separate section for deferred outflows of resources. Deferred outflows of resources represent consumption of net position that applies to a future period or periods. These items will not be recognized as an outflow of resources (expenses) until the applicable future period.

In addition to liabilities, the balance sheet reports a separate section for deferred inflows of resources. Deferred inflows of resources represent acquisition of net position that applies to a future period or periods. These items will not be recognized as an inflow of resources (revenue) until the applicable future period.

#### **Pensions**

For purposes of measuring the net pension liability (asset), deferred outflows of resources and deferred inflows of resources related to pensions, the pension expense (revenue), information about the fiduciary net position of the South Dakota Retirement System (SDRS) and additions to/deletions from SDRS's fiduciary net position have been determined on the same basis as they are reported by SDRS. Commission contributions and net pension liability (asset) are recognized on an accrual basis of accounting.

#### NOTES TO FINANCIAL STATEMENTS JUNE 30, 2022

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

#### **Compensated Absences**

Under terms of employment, employees are granted vacation and sick leave benefits in varying amounts. All vested vacation and sick leave are accrued when incurred and are presented as compensated absences in the financial statements. Payments for vacation and sick leave will be made at rates in effect when the benefits are used.

#### **Operating Revenues and Expenses**

Operating revenues are those revenues that are generated directly from the primary activity of the entity. For the Commission, these revenues are charges for dwelling rents. Operating expenses are the necessary costs incurred to provide the service that is the primary activity of the entity. Revenues and expenses not meeting these definitions are reported as nonoperating. The primary nonoperating revenue is HUD PHA grants.

#### Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expense during the reporting period. Actual results could differ from those estimates.

#### **Equity Classifications**

Equity is classified as net position and displayed in three components:

- a. Net investment in capital assets Consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.
- b. Restricted net position Is net position with constraints placed on the use either by (1) external groups such as creditors, grantors, contributors, or laws or regulations of other governments; or (2) law through constitutional provisions of enabling legislation.
- c. Unrestricted net position Any net position that does not meet the definition of "restricted" or "net investment in capital assets".

#### NOTES TO FINANCIAL STATEMENTS JUNE 30. 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

#### **Application of Net Position**

It is the Commission's policy to first use restricted net position (if any), prior to the use of unrestricted net position, when an expense is incurred for purposes for which both restricted and unrestricted net position are available.

#### **Budgets**

The Commission is not legally required to adopt a budget, therefore, budgetary data is not included in the required supplementary information. Capital Fund budgets are adopted on a "project length" basis and prepared in accordance with HUD requirements.

 DEPOSITS AND INVESTMENTS CREDIT RISK, CONCENTRATIONS OF CREDIT RISK AND INTEREST RATE RISK

Various restrictions on deposits and investments are imposed by statutes. These restrictions are summarized below:

**Deposits –** The Commission's deposits are made in qualified public depositories as defined by SDCL 4-6A-1. Qualified depositories are required by SDCL 4-6A-3 to maintain at all times, segregated from their other assets, eligible collateral having a value equal to at least 100 percent of the public deposit accounts which exceed deposit insurance such as the FDIC and NCUA. In lieu of pledging eligible securities, a qualified public depository may furnish irrevocable standby letters of credit issued by federal home loan banks accompanied by written evidence of that bank's public debt rating which may not be less than "AA" or a qualified public depository may furnish a corporate surety bond of a corporation authorized to do business in South Dakota.

**Investments –** As stated in SDCL 11-7-31, a commission shall have power to invest any funds held in reserves or debt service funds, or any funds not required for immediate disbursement, in property or securities in which savings banks may legally invest funds subject to their control. In general, SDCL 4-5-6 permits housing authority funds to be invested in (a) securities of the United States and securities guaranteed by the United States government either directly or indirectly; or (b) repurchase agreements fully collateralized by securities described in (a); or in shares of an open-end, no-load fund administered by an investment company whose investments are in securities described in (a) and repurchase agreements described in (b). Also, SDCL 4-5-9 requires that investments shall be in the physical custody of the political subdivision or may be deposited in a safekeeping account with any bank or trust company designated by the political subdivision as its fiscal agent.

#### NOTES TO FINANCIAL STATEMENTS JUNE 30, 2022

2. DEPOSITS AND INVESTMENTS CREDIT RISK, CONCENTRATIONS OF CREDIT RISK AND INTEREST RATE RISK, continued

**Custodial Credit Risk – Deposits –** Custodial credit risk is the risk that, in the event of a depository failure, the Commission's deposits may not be returned to it. The Commission does not have a deposit policy for custodial risk. As of June 30, the Commission's deposits were fully insured or collateralized and were not exposed to custodial credit risk.

**Investments –** As of June 30, 2022, the Commission had no investments.

**Authorized Investments by the Commission** - The Commission does not have a formal investment policy that further limits investments beyond those imposed by statutes.

**Interest Rate Risk –** The Commission does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

**Credit Risk** – State law limits eligible investments for the Commission, as discussed above. The Commission has no investment policy that would further limit its investment choices.

**Concentration of Credit Risk –** The Commission places no limit on the amount that may be invested in any one issuer.

#### CAPITAL ASSETS

A summary of changes in capital assets for the year ended June 30, 2022, is as follows:

	В	eginning						Ending
	Balances		Increases		Decreases		Balances	
Capital assets not being depreciated:								
Land	\$	80,645	\$	-	\$	-	\$	80,645
Construction In Progress		22,348		110,250				132,598
Total capital assets not being depreciated	·	102,993		110,250	<u> </u>	-		213,243
Capital assets being depreciated:								
Buildings and improvements		2,855,710		29,072		(38,592)		2,846,189
Equipment		71,549		1,150		(6,167)		66,532
Total capital assets being depreciated		2,927,259		30,222		(44,759)		2,912,722

#### NOTES TO FINANCIAL STATEMENTS JUNE 30, 2022

#### 3. CAPITAL ASSETS, continued

	Beginning			Ending
	Balances	Increases	Decreases	Balances
Less accumulated depreciation for:				
Buildings and improvements	2,582,586	43,129	(38,180)	2,587,535
Equipment	51,859	5,085	(6,167)	50,777
Total accumulated depreciation	2,634,445	48,214	(44,347)	2,638,312
Total capital assets being depreciated, net	292,814	(17,992)	(412)	274,410
Capital assets, net	\$ 395,807	\$ 92,258	\$ (412)	\$ 487,652

Depreciation expense was charged as follows:

Low Rent Program	\$	41,405
Capital Fund Program	-	6,809
Total Depreciation	\$	48,214

#### 4. ACCOUNTS PAYABLE – OTHER GOVERNMENTS

Annually the Commission is required to remit payments in lieu of taxes to the Hughes County, South Dakota, Treasurer. The amount is computed at 10% of gross rents less utilities. At June 30, 2022, the amount due is \$15,467.

#### 5. LONG-TERM LIABILITIES

Long-term liabilities activity for the year ended June 30, 2022 is as follows:

Beginning							Е	nding	Due Within		
	Ba	lances	Increases		Increases Decreases		Balances		Or	e Year	
Compensated absences	\$	7,101	\$	8,574	\$	(9,852)	\$	5,823	\$	3,746	

NOTES TO FINANCIAL STATEMENTS JUNE 30. 2022

#### PENSION PLAN

#### **Plan Information**

All employees, working more than 20 hours per week during the year, participate in the South Dakota Retirement System (SDRS), a cost sharing, multiple employer defined benefit pension plan administered by SDRS to provide retirement benefits for employees of the State of South Dakota and its political subdivisions. The SDRS provide retirement, disability, and survivor benefits. The right to receive retirement benefits vests after three years of credited service. Authority for establishing, administering and amending plan provisions are found in SDCL 3-12. The SDRS issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained at http://www.sdrs.sd.gov/publications.aspx or by writing to the SDRS, P.O. Box 1098, Pierre, SD 57501-1098 or by calling (605) 773-3731.

#### **Benefits Provided**

SDRS has three different classes of employees, Class A general members, Class B public safety and judicial members, and Class C Cement Plant Retirement Fund Members.

Members that were hired before July 1, 2017, are Foundation members. Class A Foundation members and Class B Foundation members who retire after age 65 with three years of contributory service are entitled to an unreduced annual retirement benefit. An unreduced annual retirement benefit is also available after age 55 for Class A Foundation members where the sum of age and credited service is equal to or greater than 85 or after age 55 for Class B Foundation judicial members where the sum of age and credited service is equal to or greater than 80. Class B Foundation public safety members can retire with an unreduced annual retirement benefit after age 55 with three years of contributory service. An unreduced annual retirement benefit is also available after age 45 for Class B Foundation public safety members where the sum of age and credited service is equal to or greater than 75. All Foundation retirement benefits that do not meet the above criteria may be payable at a reduced level.

#### NOTES TO FINANCIAL STATEMENTS JUNE 30, 2022

#### 6. PENSION PLAN, continued

Members that were hired on/after July 1, 2017, are Generational members. Class A Generational members and Class B Generational judicial members who retire after age 67 with three years of contributory service are entitled to an unreduced annual retirement benefit. Class B Generational public safety members can retire with an unreduced annual retirement benefit after age 57 with three years of contributory service. At retirement, married Generational members may elect a single-life benefit, a 60 percent joint and survivor benefit, or a 100 percent joint and survivor benefit. All Generational retirement benefits that do not meet the above criteria may be payable at a reduced level. Generational members will also have a variable retirement account (VRA) established, in which they will receive up to 1.5 percent of compensation funded by part of the employer contribution. VRAs will receive investment earnings based on investment returns.

Legislation enacted in 2017 established the current COLA process. At each valuation date:

- Baseline actuarial accrued liabilities will be calculated assuming the COLA is equal to the long-term inflation assumption of 2.25%.
- If the fair value of assets is greater or equal to the baseline actuarial accrued liabilities, the COLA will be:
  - o The increase in the 3rd quarter CPI-W, no less than 0.5% and no greater than 3.5%.
- If the fair value of assets is less than the baseline actuarial accrued liabilities, the COLA will be:
  - The increase in the 3rd quarter CPI-W, no less than 0.5% and no greater than a restricted maximum such that, that if the restricted maximum is assumed for future COLAs, the fair value of assets will be greater or equal to the accrued liabilities.

All benefits except those depending on the Member's Accumulated Contributions are annually increased by the Cost-of-Living Adjustment.

#### Contributions

Per SDCL 3-12, contribution requirements of the active employees and the participating employers are established and may be amended by the SDRS Board. Covered employees are required by state statute to contribute the following percentages of their salary to the plan; Class A Members, 6.0% of salary; Class B Judicial Members, 9.0% of salary; and Class B Public Safety Members, 8.0% of salary. State statute also requires the employer to contribute an amount equal to the employee's contribution. The Commission's share of contributions to the SDRS for the fiscal years ended June 30, 2022, 2021, and 2020, equal to required contributions each year, were \$8,608, \$8,183, and \$8,299 respectively.

#### NOTES TO FINANCIAL STATEMENTS JUNE 30, 2022

#### 6. PENSION PLAN, continued

### Pension Liabilities (Asset), Pension Expense (Revenue), and Deferred Outflows of Resources and Deferred Inflows of Resources to Pensions:

At June 30, 2021, SDRS is 105.52% funded and accordingly has a net pension liability (asset). The proportionate share of the components of the net pension liability (asset) of the South Dakota Retirement System, for the Commission as of the measurement period ending June 30, 2021 and reported by the Commission as of June 30, 2022 are as follows:

Proportionate share of pension liability \$843,076

Less proportionate share of net pension

restricted for pension benefits 889,638

Proportionate share of net pension liability (asset)

\$ (46,562)

At June 30, 2022, the Commission reported an (asset) of (\$46,562) for its proportionate share of the net pension (asset). The net pension (asset) was measured as of June 30, 2021 and the total pension (asset) used to calculate the net pension (asset) was based on a projection of the Commission's share of contributions to the pension plan relative to the contributions of all participating entities. At June 30, 2021, the Commission's proportion was 0.00608000% which is an increase (decrease) of (0.0002223%) from its proportion measured as of June 30, 2020.

#### NOTES TO FINANCIAL STATEMENTS JUNE 30, 2022

#### 6. PENSION PLAN, continued

For the year ended June 30, 2022, the Commission recognized pension expense (reduction of pension expense) in the amount of \$12,439. At June 30, 2022 the Commission reported deferred outflows of resources and deferred inflows of resources related to pension from the following sources:

	Οι	Deferred utflows of esources	Deferred Inflows of Resources		
Differences between expected and actual experience	\$	1,672	\$	122	
Changes in assumptions		53,545		23,318	
Net difference between projected and actual earnings on pension plan investments		-		66,515	
Change in proportionate share		-		-	
Commission contributions subsequent to the measurement date		8,608			
Total	\$	63,825	\$	89,955	

\$8,608 reported as deferred outflow of resources related to pensions resulting from Commission contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ending June 30, 2023. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense (revenue) as follows:

Year Ending June 30	
2023 2024 2025 2026	\$ (8,557) (5,836) (1,632) (18,712)
Total	\$ (34,737)

#### NOTES TO FINANCIAL STATEMENTS JUNE 30, 2022

#### 6. PENSION PLAN, continued

#### **Actuarial Assumptions**

The total pension liability (asset) in the June 30, 2021 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation 2.25 percent

Salary Increases Graded by years of service, from 6.50

percent at entry to 3.00 percent after 25

years of service

Discount Rate 6.50 percent, net of plan investment

expense This is composed of an average inflation rate of 2.25 percent and real

returns of 4.25 percent

Future COLAs 2.25 percent

Mortality rates were based on 97% of the RP-2014 Mortality Table, projected generationally with Scale MP-2016, white collar rates for females and total dataset rates for males. Mortality rates for disabled members were based on the RP-2014 Disabled Retiree Mortality Table, projected generationally with Scale MP-2016.

The actuarial assumptions used in the June 30, 2021 valuation were based on the results of an actuarial experience study for the period of July 1, 2011 to June 30, 2016.

Investment portfolio management is the statutory responsibility of the South Dakota Investment Council (SDIC), which may utilize the services of external money managers for management of a portion of the portfolio. SDIC is governed by the Prudent Man Rule (i.e., the council should use the same degree of care as a prudent man). Current SDIC investment policies dictate limits on the percentage of assets invested in various types of vehicles (equities, fixed income securities, real estate, cash, private equity, etc.). The long-term expected rate of return on pension plan investments was determined using a method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighing the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of real rates of return for each major asset class included in the pension plan's target asset allocation as of June 30, 2021 (see the discussion of the pension plan's investment policy) are summarized in the following table using geometric means:

#### NOTES TO FINANCIAL STATEMENTS JUNE 30, 2022

#### 6. PENSION PLAN, continued

#### **Actuarial Assumptions, continued**

Asset Class	Target <u>Allocation</u>	Long-Term Expected Real Rate of Return
Global Equity	58.0%	4.3%
Fixed Income	30.0%	1.6%
Real Estate	10.0%	4.6%
Cash	<u>2.0</u> %	0.9%
Total	<u>100.0</u> %	

#### **Discount Rate**

The discount rate used to measure the total pension liability (asset) was 6.50 percent. The projection of cash flows used to determine the discount rate assumed that the plan member contributions will be made at the current contribution rate and that matching employer contributions from will be made at rates equal to the member rate. Based on these assumptions, the pension plan's fiduciary net position was projected to be available to make all future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability (asset).

#### Sensitivity of liability (asset) to changes in the discount rate

The following presents the Commission's proportionate share of net pension liability (asset) calculated using the discount rate of 6.50 percent as well as what the Commission's proportionate share of the net pension liability (asset) would be if it were calculated using a discount rate that is 1-percentage point lower (5.50%) or 1-percentage point higher (7.50%) than the current rate:

		Current					
	<u>1% I</u>	Decrease	Discount Rate		1% Increase		
Commission's proportionate share of							
the net pension liability (asset)	\$	75,396	\$	(46,562)	\$	(145,564)	

#### **Pension Plan Fiduciary Net Position**

Detailed information about the plan's fiduciary net position is available in the separately issued SDRS financial report.

#### NOTES TO FINANCIAL STATEMENTS JUNE 30. 2022

#### RISK MANAGEMENT

The Commission is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees, and natural disasters. During the period ended June 30, 2022 the Commission managed its risks as follows:

#### **Employee Health Insurance**

The Commission purchases health insurance for its employees from a commercial insurance carrier. Settled claims resulting from these risks have not exceeded the liability coverage during the past three years.

#### **Liability Insurance**

The Commission purchases liability insurance risks related to torts, theft, or damage to property; and errors and omissions of public officials from a commercial insurance carrier. Settled claims resulting from these risks have not exceeded the liability coverage during the past three years.

#### **Worker's Compensation**

The Commission purchases liability insurance for worker's compensation from a commercial carrier. Settled claims resulting from these risks have not exceeded the liability coverage during the past three years.

#### **Unemployment Benefits**

The Commission provides coverage for unemployment benefits by paying into the unemployment compensation fund established by state law and managed by the State of South Dakota.

### REQUIRED SUPPLEMENTARY INFORMATION

## SCHEDULE OF THE COMMISSION'S PROPORTIONATE SHARE OF THE NET PENSION LIABILITY (ASSET)

#### **South Dakota Retirement System**

		2022	2021		2020		 2019
Commission's proportion of the net pension liability (asset)		0.0060800%		0.0063023%		0.0062998%	0.0064826%

Contributions as a percentage of covered-employee payroll	6.00%						

<sup>\*</sup> Until a full 10-year trend is compiled, the Commission will present information for those years which information is available.

See Independent Auditor's Report

## NOTES TO REQUIRED SUPPLEMENTARY INFORMATION YEAR ENDED JUNE 30, 2022

### Schedule of the Proportionate Share of the Net Pension Liability (Asset) and Schedule of Contributions

#### **Changes from Prior Valuation**

The June 30, 2021 Actuarial Valuation reflects no changes in actuarial methods from the June 30, 2020 Actuarial Valuation. One change in actuarial assumptions and two plan provision changes are reflected and described below.

The details of the changes since the last valuation are as follows:

#### Benefit Plan Changes

Legislation enacted in 2021 reduced the minimum SDRS COLA from 0.5% to 0%. This change will impact the SDRS COLA only when inflation is very low or when a restricted maximum COLA of 0.5% is not affordable. The change had no impact on the current assets or liabilities of SDRS.

#### **Actuarial Assumption Changes**

The SDRS COLA equals the percentage increase in the most recent third calendar quarter CPI-W over the prior year, no less than 0% (0.5% prior to 2021) and no greater than 3.5%. However, if the FVFR assuming the long-term COLA is equal to the baseline COLA assumption (currently 2.25%) is less than 100%, the maximum COLA payable will be limited to the increase that if assumed on a long-term basis, results in a FVFR equal to or exceeding 100%. That condition existed as of June 30, 2020 and the July 2021 SDRS COLA was limited to a restricted maximum of 1.41%. As of June 30, 2021, the FVFR assuming the COLA is equal to the baseline COLA assumption is greater than 100%. The July 2022 SDRS COLA will equal inflation, between 0% and 3.5%. For the June 30, 2020 Actuarial Valuation, future COLAs were assumed to equal the restricted maximum COLA of 1.41%. For this June 30, 2021 Actuarial Valuation, future COLAs are assumed to equal the baseline COLA assumption of 2.25%.

The change in the COLA assumption increased the Actuarial Accrued Liability by \$1,135 million, or 8.9% of the Actuarial Accrued Liability based on the 1.41% restricted maximum COLA.

Actuarial assumptions are reviewed in depth periodically, with the next experience analysis anticipated before the June 30, 2022 Actuarial Valuation and any recommended changes approved by the Board of Trustees are anticipated to be first implemented in the June 30, 2022 Actuarial Valuation.

# NOTES TO REQUIRED SUPPLEMENTARY INFORMATION YEAR ENDED JUNE 30, 2022

# Schedule of the Proportionate Share of the Net Pension Liability (Asset) and Schedule of Contributions, continued

#### **Actuarial Method Changes**

No changes in actuarial methods were made since the prior valuation.

**Note 1:** The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of the Commission under programs of the federal government for the year ended June 30, 2022. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Commission, it is not intended to and does not present the financial position, changes in net position, or cash flows of the Commission.

**Note 2:** Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The Commission has elected not to use the 10% de minimis indirect cost rate as allowed under the Uniform Guidance.

# INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Commissioners
The Housing and Redevelopment Commission
of the City of Pierre, South Dakota
Hughes County, South Dakota

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Housing and Redevelopment Commission of the City of Pierre, South Dakota, a component unit of the City of Pierre, South Dakota (hereinafter referred to as the Commission) as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the Commission's basic financial statements, and have issued our report thereon dated March 24, 2023

#### Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Commission's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Commission's internal control. Accordingly, we do not express an opinion on the effectiveness of the Commission's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

YANKTON OFFICE: 207 Douglas Ave. | PO Box 1018 | Yankton, SD 57078 | (605) 665-4401

**MADISON OFFICE:** 205 North Egan Ave. | PO Box 505 | Madison, SD 57042 | (605) 256-9165

SIOUX FALLS OFFICE: 507 West 10th St. | Sioux Falls, SD 57101 | (605) 336-0372

EMAIL: wrc@wrccpa.com

TOLL FREE: 1-800-456-0889

FAX #: (605) 665-0592

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Commission's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this report is not suitable for any other purpose. As required by South Dakota Codified Law 4-11-11, this report is matter of public record and its distribution is not limited.

# INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Commissioners
The Housing and Redevelopment Commission
of the City of Pierre, South Dakota
Hughes County, South Dakota

#### Report on Compliance for Each Major Federal Program

#### Opinion on Each Major Federal Program

We have audited the Housing and Redevelopment Commission of the City of Pierre, South Dakota, a component unit of the City of Pierre, South Dakota's (hereinafter referred to as the Commission) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on the Commission's major federal program for the year ended June 30, 2022. The Commission's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Commission complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2022.

#### Basis for Opinion Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

FAX #: (605) 665-0592

We are required to be independent of the Commission and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the major federal program. Our audit does not provide a legal determination of the Commission's compliance with the compliance requirements referred to above.

#### Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Commission's federal programs.

#### Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Commission's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Commission's compliance with the requirements of the major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Commission's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Commission's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Commission's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

#### **Report on Internal Control over Compliance**

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose. As required by South Dakota Codified Law 4-11-11, this report is matter of public record and its distribution is not limited.
