INDEPENDENT AUDITOR'S REPORT

To the Board of Commissioners
The Housing and Redevelopment Commission
of the City of Lemmon, South Dakota

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the business-type activities and each major fund of The Housing and Redevelopment Commission of the City of Lemmon, South Dakota, a component unit of the City of Lemmon, South Dakota (the Commission), as of and for the year ended September 30, 2024, and the related notes to the financial statements, which collectively comprise the Commission's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the business-type activities and each major fund of the Commission, as of September 30, 2024, and the changes in financial position and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis of Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Commission, and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

MADISON OFFICE: 205 North Egan Ave. | PO Box 505 | Madison, SD 57042 | (605) 256-9165

YANKTON OFFICE: 207 Douglas Ave. | PO Box 1018 | Yankton, SD 57078 | (605) 665-4401

SIOUX FALLS OFFICE: 3600 S Westport, Suite 101 | Sioux Falls, SD 57106 | (605) 336-0372

EMAIL: wrc@wrccpa.com

TOLL FREE: 1-800-456-0889

FAX #: (605) 665-0592

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Commission's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently know information that may raise substantial doubt shortly thereafter.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit
- Identify and assess the risks of material misstatement of the financial statements, whether
 due to fraud or error, and design and perform audit procedures responsive to those risks.
 Such procedures include examining, on a test basis, evidence regarding the amounts and
 disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of
 expressing an opinion on the effectiveness of the Commission's internal control.
 Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Commission's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, the schedule of the Commission's proportionate share of net pension liability/asset, and the schedule of contributions as listed in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of the financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of American, which consisted of inquires of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Commission's basic financial statements. The Commission's Financial Data Schedule (FDS), as listed in the table of contents, is presented for purposes of additional analysis and is not a required part of the basic financial statements of the Commission. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Financial Data Schedule is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 25, 2025, on our consideration of the Commission's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Commission's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Commission's internal control over financial reporting and compliance.

Yankton, South Dakota June 25, 2025

Lemmon Housing Authority Management's Discussion and Analysis For the Year Ended September 30, 2024

Introduction

This Management's Discussion and Analysis (MD&A) of the Lemmon Housing Authority (Authority) provides an introduction and overview to the financial statements of the Lemmon Housing Authority for the fiscal year ended September 30, 2024. The Lemmon Housing Authority presents this discussion and analysis of its financial performance during the fiscal year ended September 30, 2024, to assist the reader in focusing on significant financial issues.

The primary focus of the Authority's financial statements is on the statements of its single enterprise fund and blended component unit encompassing all programs administered by the Lemmon Housing Authority. This information contained herein this MD&A should be considered in conjunction with the Authority's financial statements and related notes to the financial statements.

The Authority has four primary programs. These individual programs comprise the enterprise fund of the Housing Authority. The enterprise method of accounting is similar to the accounting guidelines used by the private sector. The individual programs include:

<u>Low Rent Housing Program</u> - The Low Rent Housing Program consists of 44 dwelling units. Funding is provided based on dwelling rents paid by the tenants and operating fund payments received by the Department of Housing & Urban Development based on a formula.

<u>Capital Fund Program</u> - The Capital Fund program is also funded from HUD based on a formula. The purpose of this program is to provide funding for the modernization and improvement of the Low Rent Public Housing Program. These resources allow the Housing Authority to provide capital improvements for the current dwelling structures and assist in their operations.

<u>Business Activities</u> - The Business Activities manages several multi-family and single-family dwelling units developed by the Authority and financed by notes payable through local financial institutions and state agencies. Rent for the units is based on current market rates.

<u>Prairie West Apartments</u> – Prairie West Apartments is a non-profit organization formed to provide affordable housing in Lemmon, South Dakota. The apartment consists of 21 units funded through dwelling rents paid by the tenants and subsidies received through a state agency.

Overview of the Financial Statements

This overview of the financial statement is intended to inform and introduce the reader to the Authority's financial statements. The financial statements are comprised of three individual statements. These statements include:

- The Statement of Net Position
- The Statement of Revenues, Expenses, and Changes in Net Position
- The Statement of Cash Flows

The Statement of Net Position presents information on the assets, deferred outflows of resources, liabilities, and deferred inflows of resources with the differences between the two being reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial situation of the Authority is improving or deteriorating. Net position is comprised of three individual components:

- Net Investment in Capital Assets consists of capital asset balances net of accumulated depreciation less any outstanding balances of related debt associated with these assets.
- Restricted component of net position consists of resources that are restricted by limitations placed on these resources by an external source or imposed by law through constitutional provisions.
- Unrestricted component of net position represents the remaining resources available that does not meet the definition of the above categories. The unrestricted component of net position is basically the amount of resources available for future year appropriations.

The Statement of Revenues, Expenses, and Changes in Net Position reports the operating revenues, operating expenses, non-operating revenues, and non-operating expenses of the Authority for the fiscal year ended September 30, 2024, to determine the change in net position for the fiscal year.

The Statement of Cash Flows reports cash activities for the fiscal year resulting from operating activities, investing activities, non-capital financing activities, and capital and related to financing activities. The net result of these activities represents the increase or decrease of the cash equivalent account balance for the year ended September 30, 2024.

Financial Highlights

- The Lemmon Housing Authority's net position increased from \$1,897,415 to \$2,035,927, an increase of \$138,512 or 7%. Total assets increased by \$291,113.
- Total revenues decreased from \$729,304 to \$703,628, an decrease of \$25,676 or 4%.
- Total expenses decreased by \$39,007, or 6%, from \$604,123 to \$565,116 for the current year.

Housing Authority Activities & Highlights

The Authority's overall financial position for the past two years is summarized below based on the information in the current and prior financial statements. The table below provides the asset, liability, and net position (equity) comparisons for the year ended September 30, 2024, and September 30, 2023.

Summary Statement of Net Position as of September 30, 2024 and 2023

<u>Category</u>	9/30/2024	9/30/2023	Change \$	Change %
Current Assets	\$ 1,078,020	\$ 794,661	\$ 283,359	36%
Capital Assets (Net of Depreciation)	\$ 1,982,491	\$ 1,974,516	\$ 7,975	0%
Net Pensnion Asset	\$ 144	\$ 365	\$ (221)	-61%
Total Assets	\$ 3,060,655	\$ 2,769,542	\$ 291,113	11%
Deferred Outflows of Resources	\$ 23,004	\$ 27,113	\$ (4,109)	-15%
Current Liabilities	\$ 94,447	\$ 74,055	\$ 20,392	28%
Noncurent Liabilities	\$ 934,944	\$ 806,496	\$ 128,448	16%
Total Liabilities	\$ 1,029,391	\$ 880,551	\$ 148,840	17%
Deferred Inflows of Resources	\$ 18,341	\$ 18,689	\$ (348)	-2%
Net Investment in Capital Assets	\$ 1,030,548	\$ 1,165,096	\$ (134,548)	-12%
Restricted Net Position	\$ 4,807	\$ 8,789	\$ (3,982)	-45%
Unrestricted Net Position	\$ 1,000,572	\$ 723,530	\$ 277,042	38%
Total Net Position	\$ 2,035,927	\$ 1,897,415	\$ 138,512	7%

Current Assets

Current assets increased by \$283,359. The increase is due primarily to the Governor's Houses in Assets Held for Sale in the Business Activities Program.

Capital Assets

Capital assets increased by \$7,975. See the Capital Asset section for additional details.

Current Liabilities

Current liabilities increased by \$20,392 from the previous fiscal year. This was primarily a result of an increase accounts payable.

Non-Current Liabilities

Non-current liabilities increased from \$806,496 in 2023 to \$934,944 in the current year, an increase of \$128,418 or 16%. This is primarily due to an increase in long-term notes payable in the Business Activity Program.

Deferred Outflow/Inflow Balances of Resources

Deferred outflow and inflow balances are the result of the Authority's participation in the South Dakota Retirement System. These balances increase or decrease yearly due to various factors including number of employees participating, market conditions, and funding availability.

Net Position

The overall net financial position of the Authority increased by \$138,512 from the previous year.

The Authority's unrestricted component of net position increased from \$723,530 to \$1,000,572, an increase of \$277,042, or 38% for the current year. The unrestricted component of net position is the amount available for future appropriations. This balance is subject to program specific guidelines. Individual program balances that comprise the unrestricted component of net position are as follows:

Low Rent Housing Program	\$331,388
Business Activities	\$538,919
Prairie West Apartments	<u>\$130,265</u>
Total Unrestricted Net Financial Position	\$1,000,572

The table below summarizes the overall operations for the past two years for the years ending September 30, 2024, and September 30, 2023.

Summary Statement of Revenues & Expenses and Changes in Net Position Years Ended September 30, 2024 and 2023

Net Position, End of Year	\$ 2,035,927	\$ 1,897,415	\$ 138,512	7%

Results of Operations

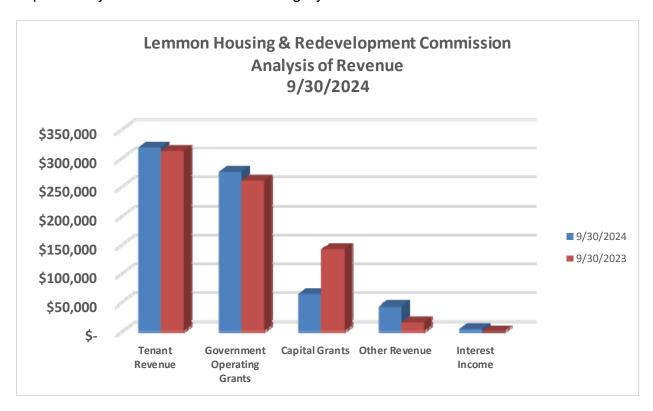

Revenues of the Authority are generated principally from dwelling rents and HUD grants. The Authority's revenue decreased by \$25,676 during the current fiscal year as compared to the previous year's amounts. Significant variances between years include the following:

 HUD capital grants decreased by \$78,187 due to a decrease in capital activity in the Low Rent Program during the current year. This decrease was partially offset by a gain on the sale of capital assets with the sale of property related to the Business Activity Program.

Total expenses decreased by \$39,007. Significant differences between the current and previous fiscal years include the following:

- Maintenance decreased by 19%, or \$35,935 during the current year. This is primarily a result of decreases in HVAC and plumbing contract.
- General and insurance expenses decreased by \$10,007, or 17%, during the current fiscal year due to a decrease in insurance costs, due to the sale of rental property in the Business Activities Program.

We have provided the following presentations to demonstrate the revenues and expenses by summarized account category:

Capital Assets

As of September 30, 2024, the Lemmon Housing Authority's total capital assets, net of depreciation was \$1,982,491. This investment includes land, building, equipment, and construction in progress, less related debt, net of accumulated depreciation.

<u>Category</u>	9/30/2024	9/30/2023	Change \$	Change %
Land	\$ 76,489	\$ 77,489	\$ (1,000.00)	-1%
Buildings	\$ 3,830,860	\$ 3,791,227	\$ 39,633	1%
Equipment	\$ 98,037	\$ 106,124	\$ (8,087)	-8%
Intangible subscription assets	\$ 3,802	\$ -	\$ 3,802	100%
Construction in progress	\$ 168,981	\$ 122,674	\$ 46,307	38%
Accumulated Depreciation/Amortization	\$ (2,195,678)	\$ (2,122,998)	\$ (72,680)	3%
Total Net Capital Assets	\$ 1,982,491	\$ 1,974,516	\$ 7,975	0%

 During the current year, one rental property was sold in the Business Activities program. Additional construction is ongoing within the Business Activities Program, as well.

Long Term Liabilities

<u>Category</u>	9/30/2024	9/30/2023	Change \$	Change %
Notes Payable	\$ 950,743	\$ 809,420	\$ 141,323	17%
Subscriptions	\$ 1,200	\$ -	\$ 1,200	100%
Compensated Absences	\$ 8,990	\$ 28,143	\$ (19,153)	-68%
Total Long-Term Liabilities	\$ 960,933	\$ 837,563	\$ 123,370	15%

At September 30, 2024, the Authority maintained a balance of \$950,743 in outstanding notes payable for the purchase of homes financed through the Business Activities Program.

In addition, the Authority classifies a portion of the employee's leave as long-term debt. This is because the Authority does not anticipate paying out the total amount accrued in the upcoming fiscal year. The amount estimated as long term was \$2,157.

Subsequent Event

HUD has estimated the funding levels for the 2025 calendar year. The operating subsidy for the Low Rent Housing Program is estimated to be funded at 100%.

Request for Information

This financial report is designed to provide a general overview of the Authority's financial position as of September 30, 2024, for all those interested.

If you should have additional questions regarding the financial information, you can contact our office in writing at the following address:

Lemmon Housing Authority Cathy Evans, Executive Director 206 6th Street Lemmon, SD 57638

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30. 2024

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

The Housing and Redevelopment Commission of the City of Lemmon, South Dakota (the Commission) was organized in 1968 pursuant to the Municipal Housing and Redevelopment Act of South Dakota as a public housing agency formed to provide financial assistance for low income public housing pursuant to the United States Housing Act of 1937, (42 U.S.C. 1401, et seq.). The mayor and City commissioners appoint the five members of the governing board for five year staggered terms. The public housing authority (PHA) board elects its own chairperson and recruits and employs its management personnel and other workers. The local governing board of the City of Lemmon, South Dakota has the ability to veto or otherwise modify a housing commission's decision to construct a specific project and issue debt.

The primary government is the City of Lemmon, South Dakota.

The Governmental Accounting Standards Board (GASB) establishes the criteria for defining and reporting on the financial reporting entity. It defines component units as legally separate organizations for which the primary government appoints a voting majority of the organization's governing board and (1) it is able to impose its will on the organization or (2) there is a potential for the organization to provide specific financial benefits to or impose specific financial burdens on the primary government. Organizations for which the Commission is not financially accountable are also included when doing so is necessary in order to prevent the Commission's financial statements from being misleading.

The Commission has included Prairie West Apartments (Prairie West), a blended component unit, as a major business-type activity fund. Prairie West is a nonprofit corporation established to provide affordable housing in the Lemmon, South Dakota area. The financial records are maintained by the Commission and may be obtained from them.

Nature of Business

The Commission administers PAS/LOCCS Project No. SD025-1, under Annual Contribution Contract DEN-569, which consists of 44 conventional low rent units and operates the Prairie West Apartment project.

Additionally, the Commission has several multi-family and single-family rental properties operated in the Business Activities Program. These projects are not low-income housing programs and rental charges are based upon current market rate for similar type housing in the local area.

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30. 2024

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Basis of Presentation

All activities of the Commission are accounted for within a single proprietary (enterprise) fund. A second proprietary fund is presented to account for Prairie West. Proprietary funds are used to account for operations (a) that are financed and operated in a manner similar to private business enterprises, where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes.

Measurement Focus and Basis of Accounting

Measurement focus refers to what is being measured, basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurement made, regardless of the measurement focus applied.

The financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. The economic resources measurement focus means all assets, deferred inflows of resources, liabilities, and deferred outflows of resources (whether current or non-current) are included on the statement of net position and the statement of revenues, expenses and changes in fund net position present increases (revenues) and decreases (expenses) in net total position. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recognized at the time the liability is incurred.

Cash and Cash Equivalents

For purposes of reporting the statement of cash flows, the Commission considers all highly liquid investments (including restricted assets) with an original maturity of three months or less when purchased to be cash equivalents. Certificates of deposit, regardless of maturity, are considered to be cash equivalents.

Accounts Receivable

All tenants accounts receivable are shown net of an allowance for doubtful accounts. The allowance for uncollectible accounts receivable is calculated based on historical trend data.

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30. 2024

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Inventories

Inventories consist of supplies or fuel and are valued at cost. The allowance for obsolete inventory receivable is calculated based on historical trend data.

Assets Held for Sale

Assets held for sale consist of donated land valued at estimated acquisition value and construction costs. The Commission is constructing three single-family residential units through South Dakota Housing and Development Authority's Governor's House Program. When completed, these units will be made available to qualifying home buyers.

Capital Assets

All acquisitions of property and equipment in excess of \$1,000 and all expenditures for repairs, maintenance, renewals, and betterments that materially prolong the useful lives of assets are capitalized.

Purchased capital assets are recorded at cost. Donated capital assets are valued at their estimated acqusition value on the date donated. Depreciation/amortization is computed principally by the straight-line method over the following estimated useful lives:

	<u>Years</u>
Buildings	15-40
Improvements other than buildings	15
Furniture and equipment	3-5
Intangible subscription assets	2-5

Deferred Inflows and Deferred Outflows of Resources

In addition to assets, the balance sheet reports a separate section for deferred outflows of resources. Deferred outflows of resources represent consumption of net position that applies to a future period or periods. These items will not be recognized as an outflow of resources (expenses) until the applicable future period. In addition to liabilities, the balance sheet reports a separate section for deferred inflows of resources. Deferred inflows of resources represent acquisition of net position that applies to a future period or periods. These items will not be recognized as an inflow of resources (revenue) until the applicable future period.

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30. 2024

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Pensions

For purposes of measuring the net pension asset, deferred outflows of resources and deferred inflows of resources related to pensions, the pension expense, information about the fiduciary net position of the South Dakota Retirement System (SDRS) and additions to/deletions from SDRS's fiduciary net position have been determined on the same basis as they are reported by SDRS.

Long-Term Liabilities

Long-term liabilities primarily consist of notes payable, subscriptions and compensated absences. All vested vacation is accrued when incurred and is presented as compensated absences in the financial statements. Payments for vacation leave will be made at rates in effect when the benefits are used.

Subscription-Based Information Technology Arrangements

The Commission has entered into subscription-based information technology arrangements (SBITAs) with vendors to use vendor-provided information technology. The Commission recognizes a subscription liability and an intangible right-to-use subscription asset (subscription asset) in financial statements. The Commission recognizes subscription liabilities with an initial, individual value of \$1,000 or more.

At the commencement of a subscription, the Commission initially measures the subscription liability at the present value of payments expected to be made during the subscription term. Subsequently, the subscription liability is reduced by the principal portion of subscription payments made. The subscription asset is initially measured as the initial amount of the subscription liability, adjusted for subscription payments made at or before the subscription commencement date, plus certain initial implementation costs. Subsequently, the subscription asset is amortized on a straight-line basis over its useful life.

Key estimates and judgments related to subscription include how the Commission determines (1) the discount rate it uses to discount the expected subscription payments to present value, (2) subscription term, and (3) subscription payments.

The Commission uses the interest rate charged by the vendor as the discount rate.
 When the interest rate charged by the vendor is not provided, the Commission generally uses its estimated incremental borrowing rate as the discount rate for subscriptions.

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30. 2024

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Subscription-Based Information Technology Arrangements, continued

 The subscription term includes the noncancellable period of the subscription. Subscription payments included in the measurement of the subscription liability are composed of fixed payments and purchase option price that the Commission is reasonably certain to exercise.

The Commission monitors changes in circumstances that would require a remeasurement of its subscription and will remeasure the subscription asset and liability if certain changes occur that are expected to significantly affect the amount of the subscription liability.

Subscription assets are reported with other capital assets and subscription liabilities are reported with long-term debt on the statement of net position.

Equity Classifications

Equity is classified as net position and is displayed in three components:

- a. Net investment in capital assets Consists of capital assets, including restricted capital assets, net of accumulated depreciation and reduced by amount of any bonds or mortgage notes that are attributable fo the acquisition, construction, or improvement of those assets.
- b. Restricted net position Consists of net position with constraints placed on the use either by (1) external groups such as creditors, grantors, contributors, or laws or regulations of other governments; or (2) law through constitutional provisions of enabling legislation.
- c. Unrestricted net position All other net position that does not meet the definition of "restricted" or "net investment in capital assets".

Application of Net Position

It is the Commission's policy to first use restricted net position (if any), prior to the use of unrestricted net position, when an expense is incurred for purposes for which both restricted and unrestricted net position are available.

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30. 2024

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Operating Revenues and Expenses

Operating revenues are those revenues that are generated directly from the primary activity of the entity. For the Commission, these revenues are charges for dwelling rents. Operating expenses are the necessary costs incurred to provide the service that is the primary activity of the entity. Revenues and expenses not meeting these definitions are reported as nonoperating revenue. The primary nonoperating revenue is HUD PHA grants.

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expense during the reporting period. Actual results could differ from those estimates.

Budgets

The Commission is not legally required to adopt a budget, therefore, budgetary data is not included in the required supplementary information. Capital Fund budgets are adopted on a "project length" basis and prepared in accordance with HUD requirements.

Implementation of New Accounting Standard and Restatement

In 2024, the Commission implemented the provisions of GASB Statement No. 96, Subscription-Based Information Technology Agreements. GASB 96 provides guidance on the accounting and financial reporting for subscription-based information technology arrangements (SBITAs) for governments. The main difference between previous US GAAP and GASB 96 is the recognition of an intangible subscription asset and subscription liability for the subscriber. There was no effect on the beginning net position as a result of implementation of the standard.

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30. 2024

2. DEPOSITS AND INVESTMENTS

Various restrictions on deposits and investments are imposed by statutes. These restrictions are summarized below:

Deposits – The Commission's deposits are made in qualified public depositories as defined by SDCL 4-6A-1. Qualified depositories are required by SDCL 4-6A-3 to maintain at all times, segregated from their other assets, eligible collateral having a value equal to at least 100 percent of the public deposit accounts which exceed deposit insurance such as the FDIC and NCUA. In lieu of pledging eligible securities, a qualified public depository may furnish irrevocable standby letters of credit issued by federal home loan banks accompanied by written evidence of that bank's public debt rating which may not be less than "AA" or a qualified public depository may furnish a corporate surety bond of a corporation authorized to do business in South Dakota.

Investments – In general, SDCL 4-5-6 permits housing authority funds to be invested in (a) securities of the United States and securities guaranteed by the United States government either directly or indirectly; or (b) repurchase agreements fully collateralized by securities described in (a); or in shares of an open-end, no-load fund administered by an investment company whose investments are in securities described in (a) and repurchase agreements described in (b). Also, SDCL 4-5-9 requires that investments shall be in the physical custody of the political subdivision or may be deposited in a safekeeping account with any bank or trust company designated by the political subdivision as its fiscal agent.

Custodial Credit Risk – Deposits – The risk that, in the event of a depository failure, the Commission's deposits may not be returned to it. The Commission does not have a deposit policy for custodial risk. As of September 30, 2024, the Commission's deposits were fully insured or collateralized and were not exposed to custodial credit risk.

Investments – As of September 30, 2024, the Commission had no investments.

Interest Rate Risk – The Commission does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Credit Risk – State law limits eligible investments for the Commission, as discussed above. The Commission has no investment policy that would further limit its investment choices. As of September 30, 2024, the Commission had no investments.

Concentration of Credit Risk – The Commission places no limit on the amount that may be invested in any one issuer. As of September 30, 2024, the Commission had no investments.

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30, 2024

3. ASSETS HELD FOR SALE

Assets held for sale consist of the following:

Assets Held for Sale:

Land \$ 15,608

Construction costs \$ 218,361
\$ 233,969

The Commission is constructing three single-family residential units through South Dakota Housing and Development Authority's Governor's House Program. When completed, these units will be made available to qualifying home buyers.

4. CAPITAL ASSETS

Capital asset activity for the year ended September 30, 2024, is as follows:

	Beginning			Ending
	Balances	Increases	Decreases	Balances
Capital assets not being depreciated:				
Land	\$ 77,489	\$ -	\$ (1,000)	\$ 76,489

Total	\$	950,743	\$	95,396	\$ ^	1,046,139

The annual requirements to amortize subscriptions as of September 30, 2024, are as follows:

Year Ending		Subscriptions					
September 30,	Principal Interest				Total		
2025	\$	1,200		_	\$	1,200	
Total	\$	1,200	\$		\$	1,200	

6. PAYMENTS IN LIEU OF TAXES

Public housing authorities are not required to pay property taxes based on the normal property value assessment and tax levy procedures on real property owned, but rather make payments in lieu of (property) taxes (PILOT). State law requires that the amount due is the lower of 10% if gross rents less utilities or 5% of gross rents. Payments in lieu of taxes as of September 30, 2024 were \$8,433.

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30. 2024

PENSION PLAN

Plan Information

All employees, working more than 20 hours per week during the year, participate in the South Dakota Retirement System (SDRS). SDRS is a hybrid defined benefit plan designed with several defined contribution plan type provisions and is administered by SDRS to provide retirement benefits for employees of the State of South Dakota and its political subdivisions. The SDRS provide retirement, disability, and survivor benefits. The right to receive retirement benefits vests after three years of credited service. Authority for establishing, administering and amending plan provisions are found in SDCL 3-12. The SDRS issues a publicly available financial report that includes financial statements and supplementary information. required That report may be obtained http://sdrs.sd.gov/publications.aspx or by writing to the SDRS , P.O. Box 1098, Pierre, SD 57501-1098 or by calling (605) 773-3731.

Benefits Provided

SDRS has four classes of members: Class A general members, Class B public safety and judicial members, Class C Cement Plant Retirement Fund members, and Class D Department of Labor and Regulation members.

Members that were hired before July 1, 2017, are Foundation members. Class A Foundation members and Class B Foundation members who retire after age 65 with three years of contributory service are entitled to an unreduced annual retirement benefit. An unreduced annual retirement benefit is also available after age 55 for Class A Foundation members where the sum of age and credited service is equal to or greater than 85 or after age 55 for Class B Foundation judicial members where the sum of age and credited service is equal to or greater than 80. Class B Foundation public safety members can retire with an unreduced annual retirement benefit after age 55 with three years of contributory service. An unreduced annual retirement benefit is also available after age 45 for Class B Foundation public safety members where the sum of age and credited service is equal to or greater than 75. All Foundation retirement benefits that do not meet the above criteria may be payable at a reduced level. Class A and B eligible spouses of Foundation members will receive a 60 percent joint survivor benefit when the member dies.

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30. 2024

7. PENSION PLAN, continued

Benefits Provided, continued

Members that were hired on/after July 1, 2017, are Generational members. Class A Generational members and Class B Generational judicial members who retire after age 67 with three years of contributory service are entitled to an unreduced annual retirement benefit. Class B Generational public safety members can retire with an unreduced annual retirement benefit after age 57 with three years of contributory service. At retirement, married Generational members may elect a single-life benefit, a 60 percent joint and survivor benefit, or a 100 percent joint and survivor benefit. All Generational retirement benefits that do not meet the above criteria may be payable at a reduced level. Generational members will also have a variable retirement account (VRA) established, in which they will receive up to 1.5 percent of compensation funded by part of the employer contribution. VRAs will receive investment earnings based on investment returns.

Legislation enacted in 2017 established the current COLA process. At each valuation date:

- Baseline actuarial accrued liabilities will be calculated assuming the COLA is equal to the long-term inflation assumption of 2.25%.
- If the fair value of assets is greater or equal to the baseline actuarial accrued liabilities, the COLA will be:
 - The increase in the 3rd quarter CPI-W, no less than 0.5% and no greater than 3.5%.
- If the fair value of assets is less than the baseline actuarial accrued liabilities, the COLA will be:
 - The increase in the 3rd quarter CPI-W, no less than 0.5% and no greater than a restricted maximum such that, that if the restricted maximum is assumed for future COLAs, the fair value of assets will be greater or equal to the accrued liabilities.

Legislation enacted in 2021 reduced the minimum COLA from 0.5 percent to 0.0 percent.

All benefits except those depending on the Member's Accumulated Contributions are annually increased by the Cost-of-Living Adjustment.

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30. 2024

7. PENSION PLAN, continued

Contributions

Per SDCL 3-12, contribution requirements of the active employees and the participating employers are established and may be amended by the SDRS Board. Covered employees are required by state statute to contribute the following percentages of their salary to the plan; Class A Members 6.0% of salary; Class B Judicial Members, 9.0% of salary; and Class B Public Safety Members, 8.0% of salary. State statute also requires the employer to contribute an amount equal to the employee's contribution. The Commission's share of contributions to the SDRS for the fiscal years ended September 30, 2024, 2023 and 2022, was \$6,072, \$5,826, and \$5,586 respectively, equal to required contributions each year, were as follows:

Pension Liabilities (Assets), Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources to Pensions:

At June 30, 2024, SDRS is 100.0% funded and accordingly has a net pension asset. The proportionate share of the components of the net pension asset of the South Dakota Retirement System, for the Commission as of the measurement period ending June 30, 2024 and reported by the Commission as of September 30, 2024 are as follows:

Proportionate share of pension liability	\$ 530,493
Less proportionate share of net pension restricted for pension benefits	 530,637
Proportionate share of net pension liability/(asset)	\$ (144)

At September 30, 2024, the Commission reported a liability/(asset) of \$(144) for its proportionate share of the net pension liability/(asset). The net pension liability/(asset) was measured as of June 30, 2024 and the total pension liability/(asset) used to calculate the net pension liability/(asset) was based on a projection of the Commission's share of contributions to the pension plan relative to the contributions of all participating entities. At June 30, 2024, the Commission's proportion was 0.003556%, which is an increase (decrease) of (0.0000187%) from its proportion measured as of June 30, 2023.

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30. 2024

7. PENSION PLAN, continued

Pension Liabilities (Assets), Pension Revenue and Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources to Pensions, continued:

For the year ended September 30, 2024, the Commission recognized pension expense (reduction of pension expense) of \$3,982. At September 30, 2024 the Commission reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources		lr	Deferred Inflows of Resources	
Differences between expected and actual experience	\$	13,330	\$	-	
Changes in assumptions		2,373		(18,090)	
Net difference between projected and actual earnings on pension plan investments		5,422		-	
Changes in proportion and difference between commission's contributions and proportionate share of contributions		365		(251)	
Commission contributions subsequent to the measurement date		1,514			
Total	\$	23,004	\$	(18,341)	

\$1,514 reported as deferred outflow of resources related to pensions resulting from Commission contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability/(asset) in the year ending September 30, 2025. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense (reduction of pension expense) as follows:

Year Ended	
September 30	
2025	\$ (5,101)
2026	6,987
2027	806
2028	457
Total	\$ 3,149

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30. 2024

7. PENSION PLAN, continued

Actuarial Assumptions

The total pension liability/(asset) in the June 30, 2024 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation 2.50 percent

Salary Increases Graded by years of service, from 7.66% at entry to 3.15%

after 25 years of service

Discount Rate 6.50 % net of plan investment expense. This is composed

of an average inflation rate of 2.50% and real returns of

4.00%

Future COLAs 1.71%

Mortality Rates:

All mortality rates based on Pub-2010 amount-weighted mortality tables, projected generationally with improvement scale MP-2020

Active and Terminated Vested Members:

Teachers, Certified Regents, and Judicial: PubT-2010

Other Class A Members: PubG-2010 Public Safety Members: PubS-2010

Retired Members:

Teachers, Certified Regents, and Judicial Retirees: PubT-2010, 108% of rates above

age 65

Other Class A Retirees: PubG-2010, 93% of rates through age 74, increasing by 2%

per year until 111% of rates at age 83 and above

Public Safety Retirees: PubS-2010, 102% of rates at all ages

Beneficiaries:

PubG-2010 contingent survivor mortality table

Disabled Members:

Public Safety: PubS-2010 disabled member mortality table

Others: PubG-2010 disabled member mortality table

The actuarial assumptions used in the June 30, 2024 valuation were based on the results of an actuarial experience study for the period of July 1, 2016 to June 30, 2021.

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30, 2024

7. PENSION PLAN, continued

Actuarial Assumptions, continued

Investment portfolio management is the statutory responsibility of the South Dakota Investment Council (SDIC), which may utilize the services of external money managers for management of portion of the portfolio. SDIC is governed by the Prudent Man Rule (i.e., the council should use the same degree of care as a prudent man). Current SDIC investment policies dictate limits on the percentage of assets invested in various types of vehicles (equities, fixed income securities, real estate, cash, private equity, etc.). The long-term expected rate of return on pension plan investments was determined using a method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighing the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of real rates of return for each major asset class included in the pension plan's target asset allocation as of June 30, 2024 (see the discussion of the pension plan's investment policy) are summarized in the following table using geometric means:

Asset Class _	Target Allocation	Long-Term Expected Real Rate of Return				
Public Equity	56.3%	3.6%				
Investment Grade Debt	22.8%	2.3%				
High Yield Debt	7.0%	2.8%				
Real Estate	12.0%	4.0%				
Cash	<u>1.9</u> %	0.8%				
Total	100%					

Discount Rate

The discount rate used to measure the total pension liability/(asset) was 6.50%. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rate and that matching employer contributions will be made at rates equal to the member rate. Based on these assumptions, the pension plan's fiduciary net position was projected to be available to make all future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability/(asset).

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30, 2024

7. PENSION PLAN, continued

Sensitivity of Liability (Asset) to Changes in the Discount Rate

The following presents the Commission's proportionate share of net pension liability/(asset) calculated using the discount rate of 6.50 percent, as well as what the Commission's proportionate share of the net pension liability/(asset) would be if it were calculated using a discount rate that is 1-percentage point lower (5.50%) or 1-percentage point higher (7.50%) than the current rate:

	Current					
	1%	Decrease	Disc	ount Rate	1%	Increase
Commission's proportionate share of						
the net pension liability/(asset)	\$	73,146	\$	(144)	\$	(60,118)

Pension Plan Fiduciary Net Position

Detailed information about the plan's fiduciary net position is available in the separately issued SDRS financial report.

8. RESTRICTED NET POSITION

The following table shows the net position restrictions for the year ended June 30, 2024:

	Restricted			
Major Purpose:	Ву	Amour		
SDRS Pension	State Law	\$	4,807	

RISK MANAGEMENT

The Commission is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees, and natural disasters. During the period ended September 30, 2024, the Commission managed its risks as follows:

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30, 2024

9. RISK MANAGEMENT, continued

Employee Health Insurance

The Commission purchases health insurance for its employees from a commercial insurance carrier. Settled claims resulting from these risks have not exceeded the liability coverage during the past three years.

Liability Insurance

The Commission purchases liability insurance risks related to torts, theft, or damage to property; and errors and omissions of public officials from a commercial insurance carrier. Settled claims resulting from these risks have not exceeded the liability coverage during the past three years.

Worker's Compensation

The Commission purchases liability insurance for worker's compensation from a commercial carrier. Settled claims resulting from these risks have not exceeded the liability coverage over the past three years.

Unemployment Benefits

The Commission provides coverage for unemployment benefits by paying into the unemployment compensation fund established by state law and managed by the State of South Dakota.

NOTES TO REQUIRED SUPPLEMENTARY INFORMATION SEPTEMBER 30, 2024

Changes from Prior Valuation

The June 30, 2024 Actuarial Valuation reflects no changes to the plan provisions or actuarial methods and one change to the actuarial assumptions from the June 30, 2023 Actuarial Valuation.

The details of the changes since the last valuation are as follows.

Benefit Provision Changes

During the 2024 Legislative Session no significant SDRS benefit changes were made.

Actuarial Method Changes

No changes in actuarial methods were made since the prior valuation.

Actuarial Assumption Changes

The SDRS COLA equals the percentage increase in the most recent third calendar quarter CPI-W over the prior year, no less than 0% and no greater than 3.5%. However, if the FVFR assuming the long-term COLA is equal to the baseline COLA assumption (currently 2.25%) is less than 100%, the maximum COLA payable will be limited to the increase that if assumed on a long-term basis, results in a FVFR equal to or exceeding 100%.

As of June 30, 2023, the FVFR assuming the long-term COLA is equal to the baseline COLA assumption (2.25%) was less than 100% and the July 2024 SDRS COLA was limited to a restricted maximum of 1.91%. For the June 30, 2023 Actuarial Valuation, future COLAs were assumed to equal the restricted maximum COLA assumption of 1.91%.

As of June 30, 2024, the FVFR assuming future COLAs equal to the baseline COLA assumption of 2.25% is again less than 100% and the July 2024 SDRS COLA is limited to a restricted maximum of 1.71%. The July 2025 SDRS COLA will equal inflation, between 0% and 1.71%. For this June 30, 2024 Actuarial Valuation, future COLAs were assumed to equal the restricted maximum COLA of 1.71%.

Actuarial assumptions are reviewed for reasonability annually and reviewed in depth periodically, with the next experience analysis anticipated before the June 30, 2027 Actuarial Valuation and any recommended changes approved by the Board of Trustees are anticipated to be first implemented in the June 30, 2027 Actuarial Valuation.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Commissioners
The Housing and Redevelopment Commission
of the City of Lemmon, South Dakota

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities and each major fund of **The Housing and Redevelopment Commission of the City of Lemmon, South Dakota, a component unit of the City of Lemmon, South Dakota (the Commission) as of and for the year ended September 30, 2024, and the related notes to the financial statements, which collectively comprise the Commission's basic financial statements, and have issued our report thereon dated June 25, 2025.**

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Commission's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Commission's internal control. Accordingly, we do not express an opinion on the effectiveness of the Commission's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Commission's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this report is not suitable for any other purpose. However, as required by South Dakota Codified Law 4-11-11, this report is matter of public record and its distribution is not limited.
