**Independent Auditor’s Report on Internal Control over Financial Reporting and on
Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with *Government Auditing Standards***

Board of Commissioners
Miller Housing and Redevelopment Commission
Miller, South Dakota

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the business-type activities, and the major fund of Miller Housing and Redevelopment Commission, (a component unit of the City of Miller), as of December 31, 2023 and for the year then ended, and the related notes to the financial statements, which collectively comprise Miller Housing and Redevelopment Commission’s basic financial statements, and have issued our report thereon dated September 30, 2024.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Miller Housing and Redevelopment Commission’s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Miller Housing and Redevelopment Commission’s internal control. Accordingly, we do not express an opinion on the effectiveness of Miller Housing and Redevelopment Commission's internal control.

A deficiency in *internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Miller Housing and Redevelopment Commission's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Miller Housing and Redevelopment Commission's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose. As required by South Dakota Codified Law 4-11-11, this report is a matter of public record and its distribution is not limited.

A handwritten signature in cursive script that reads "CLO Prof LLC".

Independent Auditor's Report

Board of Commissioners
Miller Housing and Redevelopment Commission
Miller, South Dakota

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the business-type activities, and the major fund of Miller Housing and Redevelopment Commission, (a component unit of the City of Miller), as of December 31, 2023, and for the year then ended, and the related notes to the financial statements, which collectively comprise Miller Housing and Redevelopment Commission's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities, and the major fund of Miller Housing and Redevelopment Commission as of December 31, 2023, and the respective changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards (Government Auditing Standards)*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Miller Housing and Redevelopment Commission and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Miller Housing and Redevelopment Commission's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the entity's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis (MD&A) be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the entity's basic financial statements. The financial data schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated September 30, 2024 on our consideration of the entity's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Miller Housing and Redevelopment Commission's internal control over financial reporting and compliance.

Huron, South Dakota

Miller Housing and Redevelopment Commission

(A Component Unit of the City of Miller)

Management's Discussion and Analysis

For the Year Ended December 31, 2023

Management's Discussion and Analysis (MD&A) is a reporting model adopted by the Governmental Accounting Standards Board (GASB) in their statement No. 34 *Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments*, issued June 1999.

Our discussion and analysis of the Miller Housing & Redevelopment Commission (herein referred to as "the Housing Authority"), Miller, South Dakota, financial performance provides an overview of the Housing Authority's financial activities for the fiscal year ended December 31, 2023. Please read the MD&A in conjunction with the Housing Authority's financial statements.

For accounting purposes, the Housing Authority is classified as an enterprise fund. Enterprise funds account for activities similar to those found in the private business sector, where the determination of net income is necessary or useful to sound financial administration. Enterprise funds are reported using the full accrual method of accounting in which all assets and all liabilities associated with the operation of these funds are included on the Statement of Net Position. The focus of enterprise funds is on income measurement, which, together with the maintenance of equity, is an important financial indication.

Financial Highlights

Total assets of the Housing Authority for the year ended December 31, 2023 were \$1,183,445. Total liabilities were \$34,391. Total assets exceeded total liabilities by \$1,149,054 (net position).

Unrestricted net position totals \$755,438. This is the amount of the Authority's reserve.

Total operating and non-operating revenue for the year ended December 31, 2023, was \$332,021 and expenses totaled \$236,627, revenue exceeded expenses by \$95,394.

Overview of the Financial Statements

This annual report includes this Management Discussion and Analysis report, the Basic Financial Statements and the Notes to the Financial Statements. The Housing Authority's financial statements are presented as program level financial statements because the Housing Authority only has proprietary funds. The financial statements report information of the Housing Authority using accounting methods similar to those used by private sector companies. These statements offer short-term and long-term financial information about the Housing Authority's activities. The Statement of Net Position includes all the Housing Authority's assets and liabilities and provides information about the nature and amounts of investments in resources (assets) and obligations to the Housing Authority's creditors (liabilities). It also provides the basis for evaluating the capital structure of the Housing Authority and assessing the liquidity and financial flexibility of the Housing Authority. All of the current year's revenues and expenses are accounted for in the Statement of Changes in Net Position. This statement measures the success of the Housing Authority's operations over the past year and can be used to determine whether the Housing Authority has successfully recovered all its costs through its user fees and other charges, profitability and credit worthiness. The Statement of Cash Flows reports cash receipts, cash payments, and net changes in cash resulting from operating, investing, and financing activities and provides answers to such questions as; where did cash come from, what was cash used for, and what was the change in the cash balance during the reporting period. The notes to the financial statements provide additional information that is essential to a full understanding of the data provided in the basic financial statements.

Miller Housing and Redevelopment Commission
(A Component Unit of the City of Miller)
Management’s Discussion and Analysis
For the Year Ended December 31, 2023

Financial Analysis

The Housing Authority’s basic financial statements are the Statement of Net Position and the Statement of Changes in Net Position. The Statement of Net Position provides a summary of the Housing Authority’s assets and liabilities as of the close of business on December 31, 2023. The Statement of Changes in Net Position summarizes the revenues and sources of those revenues, and expenses incurred in operating the Housing Authority for the year ended December 31, 2023.

Conventional Public Housing – Under the Conventional Public Housing Program, the Authority rents units that it owns to low-income households. The Conventional Public Housing Program is operated under an Annual Contributions Contract (ACC) with HUD, and HUD provides Operating Subsidy and Capital Grant funding to enable the PHA to provide the housing at a rent that is based upon 30% of household income.

Capital Fund Program - The Capital Fund Program is the primary funding source for physical and management improvements to the Authority’s properties.

Total Capital assets	<u>\$393,616</u>	<u>\$328,220</u>	\$65,396

Long Term Debt

The Housing Authority has no long-term debt.

Economic Factors

The Housing Authority is primarily dependent upon HUD for the funding of operations; therefore, the Housing Authority is affected more by the federal budget than by local economic conditions. The funding of programs could be significantly affected by the federal budget for the current year (and future years).

Contacting the Housing Authority’s Financial Management

Our financial report is designed to provide our citizens, taxpayers, and creditors with a general overview of the Housing Authority’s finances and to show the Housing Authority’s accountability for the money it receives. If you have questions about this report or wish to request additional financial information, contact Kristi Lichty, Executive Director, at Miller Housing & Redevelopment Commission, 105 N Broadway, Miller, South Dakota 57362 -- (605) 853-2869.

Miller Housing and Redevelopment Commission
(A Component Unit of the City of Miller)
Notes to Financial Statements
December 31, 2023

1. Summary of Significant Accounting Policies:

a. Reporting Entity:

Miller Housing and Redevelopment Commission is a component unit of the City of Miller and was created by the City of Miller under SDCL 11-7-7 to provide decent, safe and affordable dwelling accommodations for persons of low or moderate income. The Commission is qualified as a public housing agency as defined by Section 546 of the Quality Housing and Work Responsibility Act of 1998 and Section 3(b)(6) of the United States Housing Act of 1937.

The fund included in this report is controlled by or dependent upon the Commission's governing board.

The accounting policies of the Commission conform to generally accepted accounting principles as applicable to governments.

b. Basis of Presentation:

Fund Financial Statements: The fund financial statements of the reporting entity are organized into funds, each of which is considered to be a separate accounting entity. Each fund is accounted for by providing a separate set of self-balancing accounts that constitute its assets, liabilities, fund equity, revenues, and expenditures/expenses. The commission only has a proprietary fund consisting of one program and considers it to be a major fund for consistency in reporting from year to year.

Proprietary Funds:

Enterprise Funds – Enterprise Funds are used to account for operations that (a) are financed and operated in a manner similar to private business enterprises, where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes.

Enterprise Fund consists of the following program:

Miller Manor Programs used to record financial transactions related to rental operation.
These activities are financed by user charges, grants and subsidies.

c. Measurement Focus and Basis of Accounting:

Measurement focus is a term used to describe "how" transactions are recorded within the various financial statements. Basis of accounting refers to "when" revenues and expenditures or expenses are recognized in the account and reported in the financial statements, regardless of the measurement focus.

Miller Housing and Redevelopment Commission
 (A Component Unit of the City of Miller)
 Notes to Financial Statements
 December 31, 2023

1. Summary of Significant Accounting Policies: (Continued)

Measurement Focus:

Fund Financial Statements – In the fund financial statements, the accrual basis of accounting is applied to the proprietary fund.

Basis of Accounting:

Fund Financial Statements – All proprietary funds are accounted for using the accrual basis of accounting. Their revenues are recognized when they are earned, and their expenses are recognized when they are incurred.

d. Capital Assets:

Capital assets include land, buildings, equipment, and furniture that are used in operations and that have initial useful lives extending beyond a single reporting period.

The accounting treatment over capital assets depends on whether the assets are used in governmental fund operations or proprietary fund operations and whether they are reported in the government-wide or fund financial statements.

All capital assets are valued at historical cost or estimated historical cost if actual historical cost is not available. Donated capital assets are valued at their acquisition value on the date donated.

Depreciation of all exhaustible fixed assets is recorded as an expense against operations by the proprietary funds, with net capital assets reflected in the proprietary fund balance sheets. Capitalization thresholds (the dollar values above which asset acquisitions are added to the capital asset accounts), depreciation methods, and estimated useful lives of capital assets reported in the proprietary funds are as follows:

	<u>Capitalization Threshold</u>	<u>Depreciation Method</u>	<u>Estimated Useful Life</u>
Buildings	\$ 1,000	straight-line	5-50 years
Equipment and Furnishings	\$ 1,000	straight-line	5-10 years

Land, an inexhaustible capital asset, is not depreciated.

In the fund financial statements, capital assets used in proprietary fund operations are accounted for on the accrual basis.

Miller Housing and Redevelopment Commission
(A Component Unit of the City of Miller)
Notes to Financial Statements
December 31, 2023

1. Summary of Significant Accounting Policies: (Continued)

e. Proprietary Funds Revenue and Expense Classifications:

In the proprietary fund's Statement of Revenues, Expenses and Changes in Fund Net Position, revenues and expenses are classified in a manner consistent with how they are classified in the Statement of Cash Flows. That is, transactions for which related cash flows are reported as capital and related financing activities, noncapital financing activities, or investing activities are not reported as components of operating revenues or expenses.

f. Cash and Cash Equivalents:

For the purposes of the Statement of Cash Flows, the Commission defines cash as demand deposits and savings deposits available for its use.

g. Equity Classifications:

Equity is classified as net position and is displayed in three components:

1. Net investment in capital assets – Consists of capital assets, including restricted capital assets, net of accumulated depreciation (if applicable) and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowing that are attributable to the acquisition, construction, or improvement of those assets.
2. Restricted net position – Consists of net position with constraints placed on their use wither by (a) external groups such as creditors, grantors, contributors, or laws and regulations of other governments; or (b) law through constitutional provisions or enabling legislation.
3. Unrestricted net position – All other net position that do not meet the definition of “restricted” or “net investment in capital assets”.

h. Application of Net Position:

It is the Commission's policy to first use restricted net position, prior to the use of unrestricted net position, when an expense is incurred for purposes for which both restricted and unrestricted net position are available.

i. Budgets and Budgetary Accounting:

Every year, the Commission proposes and adopts budgets according to the Commission's policy, procedures and federal program requirements.

Miller Housing and Redevelopment Commission
(A Component Unit of the City of Miller)
Notes to Financial Statements
December 31, 2023

1. Summary of Significant Accounting Policies: (Continued)

j. Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

k. Federal Income Taxes:

No provision for federal income taxes has been made as the Miller Housing and Redevelopment Commission is a governmental unit and is, therefore, not liable for income taxes.

l. Compensated Absences:

Annual vacation is earned by the full-time employee based on years of service. Upon termination, employees are entitled to receive compensation for their accrued annual leave balance.

The Commission accrues sick leave benefits based on hours work. Upon termination, employees are not entitled to receive compensation for their accrued sick leave balance.

The financial statements give effect to this liability. This amount does include the employer's share of payroll deductions.

2. Deposits and Investments & Credit Risk, Concentrations of Credit Risk and Interest Rate Risk:

Various restrictions on deposits and investments are imposed by statutes. These restrictions are summarized below:

Deposits – The Commission's cash deposits are made in qualified public depositories as defined by SDCL 4-6A-1, 9-22-6.1 and 9-22-6.2, and may be in the form of demand or time deposits. Qualified depositories are required by SDCL 4-6A-3 to maintain at all times, segregated from their other assets, eligible collateral having a value equal to at least 100 percent of the public deposit accounts which exceed deposit insurance such as the FDIC and NCUA. In lieu of pledging eligible securities, a qualified public depository may furnish irrevocable standby letters of credit issued by federal home loan banks accompanied by written evidence of that bank's public debt rating which may not be less than "AA" or a qualified public depository may furnish a corporate surety bond of a corporation authorized to do business in South Dakota.

Investments – In general; SDCL 11-7-31 and SDCL 4-5-6 permits the Commission to invest any funds held in reserves or debt service funds, or any funds not required for immediate disbursement, in property or securities in which banks may legally invest funds subject to their control.

Miller Housing and Redevelopment Commission
(A Component Unit of the City of Miller)
Notes to Financial Statements
December 31, 2023

2. Deposits and Investments & Credit Risk, Concentrations of Credit Risk and Interest Rate Risk: (Continued)

Custodial Credit Risk – The risk, that in the event of a depository failure, the Commission’s deposits may not be returned to it. The Commission does not have a deposit policy for custodial credit risk.

Interest Rate Risk - The Commission does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Credit Risk - State law limits eligible investments for the Commission as discussed above. The Commission has no investment policy that would further limit its investment choices.

Concentration of Credit Risk- The Commission places no limit on the amount that may be invested with any one issuer.

At times, deposits and investments held at institutions may exceed the federally insured limits. The Commission has not experienced any losses in such accounts.

3. Changes in Capital Assets:

A summary of changes in capital assets for the fiscal year ended December 31, 2023 is as follows:

	<u>Balance 12/31/22</u>	<u>Additions</u>	<u>Deletions</u>	<u>Balance 12/31/23</u>
Business-type activities:				
Capital assets, not being depreciated:				
Land	\$ 4,500	\$ 35,071	\$ --	\$ 39,571
Construction in process	20,809	43,539	20,809	43,539
Totals	<u>25,309</u>	<u>78,610</u>	<u>20,809</u>	<u>83,110</u>
Capital assets, being depreciated:				
Buildings and improvements	1,116,269	42,516	--	1,158,785

Business type activities capital assets,	<u>\$ 328,220</u>	<u>\$ 86,205</u>	<u>\$ 20,809</u>	<u>\$ 393,616</u>

Miller Housing and Redevelopment Commission
(A Component Unit of the City of Miller)
Notes to Financial Statements
December 31, 2023

4. Reserve Accounts:

Certain funds are restricted for use as follows:

	<u>Operating Maintenance</u>
Miller Manor - Certificates of Deposit	\$ 619,181
Miller Manor - Savings	6,587
	<u>\$ 625,768</u>

5. Housing Assistance Payments:

Miller Housing and Redevelopment Commission has entered into an annual contribution contract, DEN-511, with the United States of America which in part provides that the government will make an annual contribution in an amount, as determined by the government. The total assistance received for the year ended December 31, 2023 was \$93,661.

6. Risk Management:

The Commission is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. During the period ended December 31, 2023, the Commission managed its risks as follows:

Liability Insurance:

The Commission purchases liability insurance for risks related to torts; theft or damage to property; and omissions of public officials from a commercial insurance carrier.

Workers' Compensation:

The Commission purchases liability insurance for workers' compensation from a commercial insurance carrier.

Miller Housing and Redevelopment Commission
(A Component Unit of the City of Miller)
Notes to Financial Statements
December 31, 2023

7. Public Housing Capital Funds:

<u>PHC Funds</u>	<u>Awarded</u>	<u>Expended to Date</u>	<u>Unexpended 12-31-23</u>
OFND - 23	\$ 93,408	\$ 93,408	\$ --
CFP - 2023	71,500	--	71,500
CFP - 2022	70,994	57,533	13,461
CFP - 2021	56,674	56,674	--
	<u>\$ 292,576</u>	<u>\$ 207,615</u>	<u>\$ 84,961</u>

The commission applies for various funds/grants to improve the property. The funds, when awarded, must be spent within 4 years.

8. Pension Plan:

a. Plan Information:

The commission through the City of Miller allows the employees to participate in the state retirement system. All employees, working more than 20 hours per week during the year, participate in the South Dakota Retirement System (SDRS), a cost sharing, multiple employer hybrid defined benefit plan administered by SDRS to provide retirement benefits for employees of the State of South Dakota and its political subdivisions. The SDRS provides retirement, disability, and survivor's benefits. The right to receive retirement benefits vests after three years of credited service. Authority for establishing, administering and amending plan provisions are found in SDCL 3-12. The SDRS issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained at <http://www.sdrs.sd.gov/publications/> or by writing to the SDRS, P.O. Box 1098, Pierre, SD 57501-1098 or by calling (605) 773-3731.

b. Benefits Provided:

SDRS has three different classes of employees, Class A general members, Class B public safety and judicial members, Class C Cement Plant Retirement Fund members, and Class D Department of labor and Regulation members.

Members that were hired before July 1, 2017, are Foundation members. Class A Foundation members and Class B Foundation members who retire after age 65 with three years of contributory service are entitled to an unreduced annual retirement benefit. An unreduced annual retirement benefit is also available after age 55 for Class A Foundation members where the sum of age and credited service is equal to or greater than 85 or after age 55 for Class B Foundation judicial members where the sum of age and credited service is equal to or greater than 80. Class B Foundation public safety members can retire with an unreduced annual retirement benefit after age 55 with three years of contributory service. An unreduced annual retirement benefit is also available after age 45 for Class B Foundation public safety members where the sum of age and credited service is equal to or greater than 75. All Foundation retirement benefits that do not meet the above criteria may be payable at a reduced level. Class A and B eligible spouses of Foundation members will receive a 60 percent joint survivor benefit when the member dies.

Miller Housing and Redevelopment Commission
(A Component Unit of the City of Miller)
Notes to Financial Statements
December 31, 2023

8. Pension Plan: (Continued)

Members that were hired on/after July 1, 2017, are Generational members. Class A Generational members and Class B Generation judicial members who retire after age 67 with three years of contributory service are entitled to an unreduced annual retirement benefit. Class B Generational public safety members can retire with an unreduced annual retirement benefit after age 57 with three years of contributory service. At retirement, married Generational members may elect a single-life benefit. All Generational retirement benefits that do not meet the above criteria may be payable at a reduced level. Generational members will also have a variable retirement account (VRA) established, in which they will receive up to 1.5 percent of compensation funded by part of the employer contribution. VRA's will receive investment earnings based on investment returns.

Legislation enacted in 2017 established the current COLA process. At each valuation date:

- Baseline actuarial accrued liabilities will be calculated assuming the COLA is equal to the long-term inflation assumption of 2.25%.
- If the fair value of assets is greater or equal to the baseline actuarial accrued liabilities, the COLA will be:
 - The increase in the 3rd quarter CPI-W, no less than 0.5% and no greater than 3.5%
- If the fair value of assets is less than the baseline actuarial accrued liabilities, the COLA will be:
 - The increase in the 3rd quarter CPI-W, no less than 0.5% and no greater than a restricted maximum such that, that if the restricted maximum is assumed for future COLAs, the fair value of assets will be greater or equal to the accrued liabilities.

Legislation enacted in 2021 reduced the minimum COLA from 0.5 percent to 0.0 percent

All benefits except those depending on the Member's Accumulated Contributions are annually increased by the Cost-of-Living Adjustment.

c. Contributions:

Per SDCL 3-12, contribution requirements of the active employees and the participating employers are established and may be amended by the SDRS Board. Covered employees are required by state statute to contribute the following percentages of their salary to the plan; Class A Members 6.0% of salary; Class B Judicial Members, 9.0% of salary; and Class B Public Safety Members, 8.0% of salary. The County's/Municipality's share of contributions to the SDRS for the fiscal years ended December 31, 2023, 2022, and 2021, equal to required contributions each year, were as follows:

<u>Year</u>	<u>Amount</u>
2023	\$ 3,344
2022	\$ 3,254
2021	\$ 3,045

Miller Housing and Redevelopment Commission

Notes to Financial Statements
December 31, 2023

8. Pension Plan: (Continued)

d. GASB 68 and 71:

The effects of *Government Accounting Standards Board (GASB) 68 and 71* have been evaluated by management and the Board of Directors and the amounts and disclosures have been determined to be immaterial to the financial statements.

9. Implementation of New Standard:

In 2023, Miller Housing and Redevelopment commission implemented the provisions of Governmental Accounting Standards (GASB) Statement No. 96, Subscription Based Information Technology Arrangement. The implementation of this standard has no effect on beginning net position.
