## DEFINITIONS OF EXPENDITURE AND OTHER FINANCING USE ACCOUNTS

- 1000      **Instruction** - activities dealing directly with the teaching of students, or the interaction between teacher and students. Teaching may be provided for students in a school classroom, in another location such as a home or hospital, and in other learning situations such as those involving cocurricular activities. It may also be provided through some other approved medium such as television, radio, telephone and correspondence. Included here are the activities of aides or assistants of any type (clerk, graders, teaching machines, etc.) which assist in the instructional process. Costs coded to instruction will generally be for the type of class that will result in credits towards graduation or a general education diploma (GED).
- 1100      **Regular Programs** - instructional activities designed primarily to prepare students for activities as citizens, family members and workers, as contrasted with programs designed to improve or overcome physical, mental, social and/or emotional handicaps. Regular Programs include elementary, middle/junior high, and high school. This also includes physical education, band, vocal and other fine art programs.
- 1110      **Elementary Programs** - learning experiences concerned with knowledge, skills, appreciations, attitudes and behavioral characteristics considered to be needed by all students in terms of their awareness of life and the world of work and which normally may be achieved during the elementary school years.
- 1111      **Regular Elementary Term** - learning experiences during the elementary regular school term year within the regular school day that help prepare students for life. Some classes may have occasional concerts or field trips that do not fall within the regular school day but are still considered to be regular term classes.
- 1112      **Other Elementary Term** - learning experiences outside the regular elementary school year and school day that help prepare students for life. This would include summer school and/or after school instructional programs.
- 1120      **Middle/Junior High Programs** - learning experiences concerned with knowledge, skills, appreciations, attitudes and behavioral characteristics considered to be needed by all students in terms of understanding themselves and their relationships with society and various career clusters, and which normally may be achieved during the middle and/or junior high school years. These are defined by applicable state laws and regulations.
- 1121      **Regular Middle/Junior High Term** - learning experiences during the middle and/or junior high regular school term year within the regular school day that help students understand themselves and their relationships with society and various career clusters. Some classes may have occasional concerts or field trips that do not fall within the regular school day but are still considered to be regular term classes.

- 1122 **Other Middle/Junior High Terms** - learning experiences outside the regular middle and/or junior high school year and school day that help prepare students for life. This would include summer school and/or after school instructional programs.
- 1130 **High School Programs** - learning experiences concerned with knowledge, skills, appreciations, attitudes and behavioral characteristics considered to be needed by all students in terms of understanding themselves and their relationships with society and the various occupations and/or professions which normally may be achieved in the high school years. Includes drivers' education courses and costs associated with multi-district/vocational technical programs, if offered for credit (if not for credit see 3900).
- 1131 **Regular High School Term** - learning experiences during the high school regular school term year within the regular school day that help students understand themselves and their relationships with society and various occupations. Some classes may have occasional concerts or field trips that do not fall within the regular school day but are still considered to be regular term classes.
- 1132 **Other High School Terms** - learning experiences outside the regular high school year and school day that help prepare students for life. This would include summer school and/or after school instructional programs.
- 1140 **Preschool Services** - instructional programs provided to students prior to entering kindergarten. Child must be at least 3 years of age to participate in a preschool program.
- 1141 **Regular Preschool** – instructional programs for preschool students (ages 3 to 5 years of age).
- 1142 **Title I Preschool** – Title I instructional program for preschool age students.
- 1190 **Other Regular Programs** - any regular program other than those above. Expenditures for physical education, band, vocal and other fine art programs should be reported in the appropriate instructional level.
- 1200 **Special Programs** - instructional activities designed primarily to deal with students having special needs. The Special Program Service Area includes preschool, elementary and secondary services for the (1) Gifted and Talented, (2) Special Education, (3) Culturally Different, (4) Educationally Deprived, and (5) Special Programs for other types of students.
- 1210 **Programs for Gifted and Talented** - special learning experiences for students identified as being mentally gifted or talented in areas such as the following: General Academic, Fine Arts and Vocational and Technical.
- 1220 **Programs for Special Education** - special learning experiences for students with special needs not identified elsewhere.
- 1221 **Programs for Students with Mild to Moderate Disabilities** - instructional expenditures for students who spend the majority of the day in regular class settings and/or are provided special education services for less than 50% of

the regular day (for example, a district operating a 6 hour school day, a student provided special education services for less than 15 hours a week).

- 1222 **Programs for Students with Severe Disabilities** - instructional expenditures for students receiving special education service for more than 50% of the day. This should not include students placed in day or residential programs.
- 1223 **Day Programs** - instructional expenditures for students assigned to day programs offered by the district or assigned out of district. This may include students placed in community based service centers, cooperative day programs, etc.
- 1224 **Residential Programs** - instructional expenditures for students served in a 24 hour residential school (such as Lifescape). Students must live at facility.
- 1225 **Homebound Programs** - instructional expenditures for services provided in the student's home; i.e., programs for severely ill students unable to attend school for a period of time.
- 1226 **Early Childhood Programs (3-5)** - instructional expenditures for special education programs for preschool children ages 3-5.
- 1227 **Prolonged Assistance Programs (0-2)** - instructional expenditures for special education for children in need of prolonged assistance, birth through 2 years, which are provided by the district.
- 1230 **Coordinated Early Intervening Services (CEIS) Instruction** - services provided to students in grades kindergarten through 12 (with an emphasis on students in kindergarten through grade 3) who are not currently identified as needing special education or related services, but who need additional academic and behavioral supports to succeed in a general education environment. CEIS instructional activities may include, but are not limited to: literacy instruction, help in reading or math for student that are not reaching grade level proficiency or providing positive behavioral supports.
- 1250 **Culturally Different (LEP, ESL, ELL)** - special learning experiences for students whose background is so different from that of most students that they need additional educational opportunities beyond those provided in the usual school program if they are to be educated to the level of their ability. Certain types of these programs are referred to as Bilingual Education or English as a Second Language Programs. This function should not include those programs that will be recorded under function 1270.
- 1270 **Programs for Educationally Deprived** - special learning opportunities for children who have need for special educational assistance in order that their level of educational attainment may be raised to that appropriate for children of their age. Under certain guidelines, this also includes children who are handicapped, children who are neglected or delinquent or children who are from migrant families.

- 1273 **Helping Disadvantaged Children Meet High Standards** – Instructional expenditures for the Title I program. (Separate operational unit accounts should be assigned to each Title I program, such as, Title I-A Basic, Title I-C, Title I-D, etc.)
- 1290 **Other Special Programs** - other special learning experiences which cannot be classified in the preceding service areas.
- 1293 **Contracting Districts--Outside State** - instructional activities provided to a school district in South Dakota with boundaries adjoining another state school district by provisions of agreement or contract approved by the Secretary of Department of Education as provided by SDCL 13-15-11.

2700      **Support Services--Special Education**

The 2710, 2730 and 2750 functional areas are to record only Special Education costs. A few transactions may be coded directly to the disability type if the costs only relate to that function and disability type. For example, a bill to transport a deaf-blind student may be coded directly to 2731. Most of the bills throughout the year may be batched to the 2730 and 2750 control accounts. These accounts must be zeroed out at the end of each year by moving costs to the respective disability types. Costs should be allocated to the disability types pro rata based on the number of students of each type that your school has.

- 2710 **Special Education Administrative Costs** - applicable costs consist of the director and other support staff that are involved in administering the special education program. These costs could include salary, benefits, travel, telephone, supplies and other payments.

2730      **Special Education Transportation Costs** - applicable costs consist of payments for the transportation of special education students. These payments could be made to the parents, private carrier or for the operation of the school district's own vehicles.

- 2731 **Deaf-Blind** - transportation costs for students with concomitant hearing and visual impairments, the combination of which causes such severe communication and other developmental and educational problems that they cannot be accommodated in special education programs solely for deaf or blind children.
- 2732 **Emotionally Disturbed** - transportation costs for students exhibiting one or more of the following characteristics over a long period of time which adversely affects educational performance: (a) inability to learn, (b) inability to build or maintain relationships, (c) inappropriate behavior or feelings, (d) unhappiness or depression, or (e) physical symptoms or fears associated with problems (including schizophrenic children).
- 2733 **Cognitive Disability** - transportation costs for students significantly sub-average in general intellectual functioning existing concurrently with deficits in behavior which adversely affects a child's educational performance.
- 2734 **Hearing Loss** - transportation costs for students with hearing impairments, whether permanent or fluctuating, which adversely affects a child's educational performance but which is not included under the definition of "deaf."

- 2735 **Specific Learning Disabled** - transportation costs for students with disorders in one or more of the basic psychological processes involved in understanding or in using language, spoken or written, which may manifest itself in an imperfect ability to listen, think, speak, read, write, spell, or to do mathematical calculations (includes such conditions as perceptual handicaps, brain injury, minimal brain dysfunction, dyslexia, and developmental aphasia).
- 2736 **Multiple Disabilities** - transportation costs for students with concomitant impairments (such as mentally retarded-blind, mentally retarded-orthopedically impaired, etc.) where the combination of which causes severe educational problems that cannot be accommodated in special education programs solely for one of the impairments.
- 2737 **Orthopedic Impairments** - transportation costs for students with severe orthopedic impairments (caused by congenital anomaly, disease, or other causes) which adversely affects a child's educational performance (e.g., clubfoot, absence of some member, poliomyelitis, bone tuberculosis, cerebral palsy, amputations, fractures or burns).
- 2738 **Vision Loss** - transportation costs for students with visual loss which, even with correction, adversely affects a child's educational performance (both partially sight and blindness).
- 2739 **Deafness** - transportation costs for students with hearing impairment which is so severe that the child is impaired in processing linguistic information through hearing, with or without amplification, which adversely affects educational performance.
- 2740 **Speech/Language Impairments** - transportation costs for students with a communication disorder such as stuttering, impaired articulation, a language impairment, or a voice impairment, which adversely affects a child's educational performance.
